The Rise of Popular Literacy in Victorian England David Mitch,2016-11-11 In early Victorian England there was an intense debate about whether government involvement in the provision of popular elementary education was appropriate Government did in the end become actively involved first in the administration of schools and in the supervision of instruction then in establishing and administering compulsory schooling laws After a century of stagnation literacy rates rose markedly While increasing government involvement would seem to provide the most obvious explanation for this rise David F Mitch seeks to demonstrate that in fact popular demand was also an important force behind the growth in literacy Although previous studies have looked at public policy in detail and although a few have considered popular demand The Rise of Popular Literacy in

Victorian England is the first book to bring together a detailed examination of the two sets of factors Mitch compares the relative importance of the rise of popular demand for literacy and the development of educational policy measures by the church and state as contributing factors that led to the rise of working class literacy during the Victorian period He uses an economic historical approach based on an examination of changes in the costs and benefits of acquiring literacy Mitch considers the initial demand of the working classes for literacy and how much that demand grew He also examines how literacy rates were influenced by the development of a national system of elementary school provision and by the establishment of compulsory schooling laws Mitch uses quantitative methods and evidence as well as more traditional historical sources such as government reports employment ads and contemporary literature An important reference is a national sample of over 8 000 marriage certificates from the mid Victorian period that provides information on the ability of brides and grooms to sign their names The Rise of Popular Literacy in Victorian England is a valuable text for students and scholars of British economic and labor history history of literacy and education and popular culture Witch Daze Patricia Della-Piana,2010 **Blood Echo** Tessa Dawn ,2019-11-14 Let sleeping dogs lie Don t stir up the past Especially when that past is an ancient feral vampire sleeping at the bottom of an aged cobblestone well one who is famished for blood determined to claim you and haunted by mystical shadows remnants from the past Long ago in a Romanian castle the last females of a dying race called him Nana ule Godfather One who wields the powers of the gods yet behaves as Father one who is both respected and beloved at least before the Blood Curse One who hails from a long line of powerful mages who served the monarchy faithfully But something is different about Fabian Antonescu He is haunted by visions of a golden hawk and a copper eyed raven cryptic vials of blood and he will do anything to remain one step ahead of his memories For the secrets shrouded in the fog could change everything Gwendolyn Hamilton as strong as she is has already survived the unthinkable She didn t ask to be thrust into a predatory world of vampires warriors and ancient mages She didn t ask to be taken by Fabian Yet one touch of a stone one electrical current one fateful moment when a vampire s eyes met hers were more than enough to set off an explosion and cause a thunderous BLOOD ECHO If she hopes to survive she must answer back To the call of the wild to a savage vampire To the demands of antiquity in a modern world To the threat and promise of a looming Blood Moon and the destiny that awaits her *Axeviathon - Son of Dragons* Tessa Dawn,2019-04-22 As an immortal mercenary and all around badass Axeviathon Saphyrius has spent the last two centuries in service to a fearsome dragon lord while biding his time awaiting his fated female the one woman he is destined to claim and love He never expected to be cast into a nightmare fraught with shadow walkers sin eaters and lethal pagan enemies he never expected his chosen mate to be up to her eyeballs in the same malevolent cult or to be used as an unwitting pawn in an epochs old rivalry So when his amulet heats up and her eyes turn sapphire blue he knows he is in for a wild ride This won t be an ordinary claiming Amber Carpenter s life may as well have been cursed From her rocky upbringing in the foster care system to her terrifying
