Wellness Planner Ebook:

The Wellness Planner Tiara Scott,2021-08-05 The Wellness Planner is designed to help you chart your path on your wellness journey Creating space to reflect on each of the six dimensions of wellness this planner will help you assess where you are visualize where you want to go and create a plan to get there **Educator Wellness Plan Book** Tina H. Boogren,Timothy D. Kanold,Jasmine K. Kullar,2023-06-06 Educators daily stressors can easily accumulate without intentional wellness actions in place Designed as both a plan book and journal this companion resource to Educator Wellness A Guide for Sustaining Physical Mental Emotional and Social Well Being offers inspirational practical weekly routines and reflections for teachers committed to improving their wellness practices throughout the school year Use this plan book and journal to Commit to practices that encourage well being in each of the four dimensions physical mental emotional and social Organize your thoughts collect data on your current habits and reflect on areas to improve with 46 field tested tools Monitor your progress on each month s wellness goal and set intentions to encourage long term maintenance of positive habits Contents Part 1 About This Plan Book and Journal Part 2 Summer A Season of Renewal Part 3 Fall A Season of Opportunity Part 4 Winter A Season of Perseverance Part 5 Spring A Season of Transition Appendix Journal Tools References and Resources Index **Discover and Do: 90-Day Wellness Planner** Linda Fliss MA,2016-08-29 Optimal health and wellness is much more than simply eating healthy and exercising It is the intricate relationship that exists between several key areas that need to be balanced for healthy living The Discover Do Planner assists you as you discover your true motivation and develop a solid plan for success For 90 days it then provides you with a solid structure to help hold you accountable and document your success Assessment and Care Planning in Mental Health Nursing Nick Wrycraft,2015-09-16 Assessment of mental health problems is a challenging area of practice that covers a range of symptoms and behaviours and involves building a trust relationship with service users while also using specialist skills Using a values based approach focused on engaging and working in partnership with the service user this book is designed to take you from the core building blocks of assessment through to practice based guidance about mental health behaviours and concludes with case studies on the ground The first section of the book explores core aspects of assessment such as communication skills and engaging the service user and explores how assessment guides the nursing process as a whole The next section will be ideal for quick reference during practice and looks at 23 different clinical behaviours that nurses will assess under 4 categories Physical factors in mental health Behavioural aspects in mental health The role of thoughts in mental health Feelings in mental health The final section gives 4 case studies of different assessment stories which relate to the different types of clinical behaviour you will encounter This practical book is essential reading for student nurses and all healthcare staff involved in the assessment of people with mental health problems I would highly recommend this book to all mental health nursing students Whilst the focus is on assessment and care planning knowledge and skills on a range of essential areas are present in this text It is an essential

handbook for key mental health nursing skills Case studies are presented with clarity and Nick Wrycraft is clearly committed to nurses learning from service users which is essential for values based practice Julia Terry Senior Lecturer in Mental Health Nursing Swansea University UK This text is a good fit for mental health nursing students new to assessment and care planning providing a practical rather than academic approach to these important aspects of the role Dr Janine Archer Lecturer School of Nursing Midwifery Social Work University of Manchester UK Dr Nick Wrycraft has done tremendously in making available the maiden edition of this book Assessment and Care Planning in Mental Health Nursing will be a valued reference book for mental health student nurses who are new to the process of assessment and care planning The book will therefore go a long way to provide educational and learning support to pre registration nursing students as well as the newly qualified mental health nurses in practice Kike Abioye Mental Health Student Nurse Anglia Ruskin University UK
