Essential Readings in Problem-Based Learning Andrew Walker,Heather Leary,Cindy

Hmelo-Silver,2015-01-15 Like most good educational interventions problem based learning PBL did not grow out of theory but out of a practical problem Medical students were bored dropping out and unable to apply what they had learned in lectures to their practical experiences a couple of years later Neurologist Howard S Barrows reversed the sequence presenting students with patient problems to solve in small groups and requiring them to seek relevant knowledge in an effort to solve those problems Out of his work PBL was born The application of PBL approaches has now spread far beyond medical education Today PBL is used at levels from elementary school to adult education in disciplines ranging across the humanities and sciences and in both academic and corporate settings This book aims to take stock of developments in the field and to bridge the gap between practice and the theoretical tradition originated by Barrows that underlies PBL techniques

Curriculum Practice in the Elementary and Middle School J. Allen Queen,1999 This first edition book offers very current treatment of curriculum issues instructional planning and new curriculum standards The book integrates elements of the major historical philosophical and social influences upon past curriculum development It compares traditional and futurist philosophies and describes the developmental aspects of children and their changing needs and interests within a framework of instructional expectations at specific grade levels It also teaches the skills of curriculum development and instructional design While a balanced coverage of viewpoints has been attempted the book is intended to open new avenues by including educational futurism in a curricular model It contains key chapter concepts focus questions a futurist curriculum model actual units of instruction and exercises for the reader to try For educators at the elementary and middle school levels

Estimating the Costs of Student Assessment in North Carolina and Kentucky Larry Picus,1996

Hans-Jürgen Syberberg, the Film Director as Critical Thinker Xue Lan Rong,Jeremy Hilburn,2016-12-27 Fourth wave immigration with its vast economic ethnic cultural linguistic and religious diversities have brought new dynamics into the existing social and demographic structures and added both opportunities and challenges to educational systems in North Carolina a Southern U S state with the fastest growing rate of foreign born population in the nation in 1990 2010 and unique geopolitical history This book brings together 17 scholars who have extensive experience working with immigrants in North Carolina and represent a wide range of educational expertise Together their studies illustrate the intersections between historical contexts geopolitical historical constraints structural factors power policies and laws institutions and organization cultural issues philosophies ideologies identities beliefs values and traditions and immigrant students characteristics on the development of educational practices policies reforms and resistance divMost importantly studying how North Carolina education systems and actors adapt to meet the challenges may offer valuable opportunities for researchers to understand the transformation of educational systems in other new gateway states Collectively studies in this book deconstruct the framework of the traditional hierarchical assimilation and linguisticism policies in recasting the concept of becoming Americans in the New South The authors utilize frameworks that recognize the structural barriers that

disadvantage immigrants in new gateway states but also position youth families and communities as possessing and utilizing valuable resources to promote educational access and achievement In this sense this book contributes significantly to major contemporary empirical and theoretical debates relating to educating immigrant children It is our hope that this critical dialogue will continue at a national platform to promote discussion of these timely issues div div **Pediatric**
