Zimbabwe International Monetary Fund. African Dept.,2014-07-22 EXECUTIVE SUMMARY Zimbabwe s performance under the Staff Monitored Program SMP has been broadly satisfactorily through the difficult electoral transition period and the authorities have taken corrective measures to restore a track record of policy implementation going forward In the attached Letter of Intent LOI the authorities outline progress in implementing the SMP the agreed quantitative targets and structural benchmarks to be monitored for the third review and their plans to advance the structural reform agenda and to more generally strengthen performance under the SMP Performance under the staff monitored program The SMP provided a useful anchor for Zimbabwe in an election year However progress in implementing the program was slowed by a long electoral process and a protracted post election transition as well as an adverse external environment Thus a number of quantitative targets and structural benchmarks were not met The authorities have began implementing policy measures and a program of reforms aimed at addressing the fiscal gap that has emerged for 2014 improving the quality of public expenditures enhancing financial sector stability and moving forward delayed structural reform measures The authorities have reiterated their continued commitment to the policies agreed under the SMP and to enhanced engagement with the creditors and the international community The authorities have agreed to the publication of the Letter of Intent and the staff report

Report on a Joint Mission to Evaluate Primary Health Care in Zimbabwe ,1984 Socioeconomic Stress, Health and Child Nutritional Status in Zimbabwe at a Time of Economic Structural Adjustment Leon A.

Bijlmakers,Mary T. Bassett,David Sanders,1998 The exact implications of implementing structural adjustment in the social sector in Africa have been hotly disputed and have polarized researchers Using an empirically grounded longitudinal study of urban and rural households in Zimbabwe this report examines the consequences of market based economic reforms It focuses on observed changes in the household economy in urban and rural Zimbabwe The study offers extensive documentation and analysis of shifts in the health status and behavior of the people as well as changes in health outcomes especially as they relate to nutritional status and child mortality The authors make the case for policy reforms that could safeguard the health and well being of people at a time of continuing economic decline
