The Principles of Islamic Political Economy Masudul Alam Choudhury, 2016-07-27 This book examines the methodological development of the principles of Islamic political economy in its theoretical and applied aspects This is carried out in a general equilibrium framework using the theory of social choice Thus a comparative study is also undertaken here in these areas while developing the theory of Islamic political economy In these respects this book appears to be the first one of its kind

Economic Growth and Long Cycles Nikolaos Chatzarakis, Persefoni Tsaliki, Lefteris Tsoulfidis, 2024-06-03 Contemporary capitalism is characterized by periods of vigorous economic growth and periods of slow or even negative growth This book draws on the classical political economy approach to consider both economic cycles and economic growth and draw conclusions about the inherent instability of the modern economy The book shows that the work of the old classical economists Smith and Ricardo and Marx is theoretically sound and capable of providing answers to both growth and cycles It also demonstrates the potential and natural integration of growth and cycles in a single model The microeconomic foundation of this model is the labor theory of value which continues with the General Law of Capital Accumulation the Law of the Falling Rate of Profit and the movement of the Industrial Reserve Army of Labour Finally a dynamic model of growth cum cycles is constructed consisting of the evolution and interaction of five key variables namely the rate of profit the propensity to invest in fixed capital technological change the reserve army of labour and the rate of capital devaluation The analysis demonstrates that economic growth and cycles are not disconnected from each other as they have been treated in the

literature but rather interdependent aspects of the same evolutionary process of a capitalist economy This book will interest readers in the history of economic thought economic growth and development macroeconomics and political economy
