Mehrsa Baradaran

2014 Federal Paydays:

Payday Lending in Canada in a Global Context Jerry Buckland,Chris Robinson,Brenda Spotton Visano,2018-03-29

This book analyzes the highly contentious payday lending industry presenting valuable new data collected during Canada's recent regulatory reviews and demonstrating its relevance to payday lending conversations taking place worldwide The authors treat the industry with a balanced hand by establishing its importance as an example of financialization and acknowledging the complex impact of payday lending services on low income and credit constrained clients Up to date data from an interdisciplinary mix of financial econometric legal behavioral economic and socioeconomic sources all in the context of an established Canadian industry provide both proponents and opponents of payday lending with valuable evidence for their discussions of how much regulation is required to minimize harmful consequences These insights from Canada expand a US centric conversation and provide a key resource for the growing list of countries in which the industry is present from the UK and Poland to South Africa and Australia Plutocracy in America Ronald P. Formisano,2015-09-15 This data driven book offers insight into the fallacy of widespread opportunity the fate of the middle class and the mechanisms that perpetuate income disparity *Ongoing Oversight* United States. Congress. House. Committee on the Judiciary.

Subcommittee on Regulatory Reform, Commercial and Antitrust Law,2015 How the Other Half Banks Mehrsa Baradaran,2015-10-06 The United States has two separate banking systems today one serving the well to do and another exploiting everyone else How the Other Half Banks contributes to the growing conversation on American inequality by highlighting one of its prime causes unequal credit Mehrsa Baradaran examines how a significant portion of the population deserted by banks is forced to wander through a Wild West of payday lenders and check cashing services to cover emergency expenses and pay for necessities all thanks to deregulation that began in the 1970s and continues decades later Baradaran argues persuasively that the banking industry fattened on public subsidies including too big to fail bailouts owes low income families a better deal How the Other Half Banks is well researched and clearly written The bankers who fully understand the system are heavily invested in it Books like this are written for the rest of us Nancy Folbre New York Times Book Review How the Other Half Banks tells an important story one in which we have allowed the profit motives of banks to trump the public interest Lisa J Servon American Prospect

Fringe Finance Rob Aitken,2015-02-11 The most recent conversations about financial instability in International Political Economy have addressed the ongoing financial spasms of the past five years a global financial spasm unleashed by the 2008 subprime debacle ongoing Eurozone instability and general price volatility in securities markets globally Alongside and as part of these broader spasms however has been another key trend the intensifying reach of global financial markets into and among those populations which live at its very edges There are increasing and increasingly profitable experiments which are explicitly targeted to those without regular access to full or formalized financial practices This book places the practices of fringe finance in critical context by situating them within a

larger set of discussions in the field Most importantly this book is part of a much broader attempt in IPE to rethread the study of finance to questions of cultural and social theory in a meaningful manner Finance is increasingly subjected to innovative forms of social inquiry influenced by a range of diverse methods including governmentality actor network theory and cultural economy By drawing on several strands of social theory this book contributes to this broader movement in IPE and helps open more space for the continuation of these interdisciplinary conversations This work will be of great interest to students and scholars of IPE development studies and economic sociology
