

Reconstruction DBQ

Background: The Civil War had led the United States to tear itself apart. Americans faced the challenge of putting the country back together again. Politicians and leaders faced many issues, such as what to do with all the Confederate soldiers, how to readmit the state back into the union, and what to do with all the newly freed slaves.

Directions: After reading the background, please read the primary and secondary source quotes below. Then answer the questions that follow.

Representative Thaddeus Stevens of Pennsylvania, 1865, on the radical program for Reconstruction

We hold it to be the duty of the government to inflict condign punishment on the rebel belligerents, and so weaken their hands that they can never again endanger the Union; and so reform their municipal institutions as to make them republican in spirit as well as in name....

We propose to confiscate all the estate of every rebel belligerent whose estate was worth \$10,000 or whose land exceeded two hundred acres in quantity....By thus forfeiting the estates of the leading rebels, the Government would have 394,000,000 of acres....Give it, you please forty acres to each adult male freedman. Suppose there are one million of them. That would require 40,000,000 of acres....

The whole fabric of southern society must be changed....How can republican institutions, free schools, free churches, free social intercourse exist in a mingled community of nabobs and serfs; of the owners of twenty thousand acre manors with lordly palaces, and the occupants of narrow huts inhabited by "low white trash?"....

The property of the rebels shall pay our national debt, and indemnify freedmen and loyal sufferers.

1.) What was the "Radical Republican" program for reconstructing the union?

First Reconstruction Act, 1867, the radical program

Be it enacted, That said rebel States shall be divided into military districts and made subject to the military authority of the United States...That it shall be the duty of each officer...to protect all persons in their rights of persons and property, to suppress insurrection, disorder, and violence, or cause to be punished, all disturbers of the public peace and criminals....

2.) What were the goals of the "Radical Republican" program?
