

# Foreign Policy After the Cold War

## MAIN IDEA

The end of the Cold War, marked by the breakup of the Soviet Union in 1991, led to a redirection of many U.S. goals and policies.

## WHY IT MATTERS NOW

After the Cold War, the United States provided and continues to provide substantial economic support to the new capitalistic and democratic nations.

## Terms & Names

- Mikhail Gorbachev
- glasnost
- perestroika
- INF Treaty
- Tiananmen Square
- Sandinistas
- Contras
- Operation Desert Storm

## One American's Story

Colin Powell did not start out in life with any special privileges. He was born in Harlem and raised in the Bronx, where he enjoyed street games and tolerated school. Then, while attending the City College of New York, he joined the Reserve Officer Training Corps (ROTC). He got straight A's in ROTC, and so he decided to make the army his career.

Powell served first in Vietnam and then in Korea and West Germany. He rose in rank to become a general; then President Reagan made him national security adviser. In this post, Powell noted that the Soviet Union was a factor in all the administration's foreign policy decisions.

### A PERSONAL VOICE COLIN POWELL

"Our choosing sides in conflicts around the world was almost always decided on the basis of East-West competition. The new Soviet leader, Mikhail Gorbachev, however, was turning the old Cold War formulas on their head. . . . Ronald Reagan . . . had the vision and flexibility, lacking in many knee-jerk Cold Warriors [participants in the Cold War between the U.S. and the USSR], to recognize that Gorbachev was a new man in a new age offering new opportunities for peace."

—*My American Journey*

Though U.S. foreign policy in the early 1980s was marked by intense hostility toward the Soviet Union, drastic economic problems in the Soviet Union destroyed its ability to continue the Cold War standoff.

General  
Colin Powell

## The Cold War Ends

In March of 1985, **Mikhail Gorbachev** became the general secretary of the Communist Party in the Soviet Union. His rise to power marked the beginning of a new era in the Soviet Union.

# Answers For Ch 25 Sec 4 Foreign Policy After The Cold War

**Arthur I. Cyr**

## **Answers For Ch 25 Sec 4 Foreign Policy After The Cold War:**

After the Cold War Robert Owen Keohane, Joseph S. Nye (Jr.), Stanley Hoffmann, 1993 FROST Copy 2 From the John Holmes Library Collection      **Foreign Policy** Steve Smith, Amelia Hadfield, Timothy Dunne, 2016 The only introduction to foreign policy to combine theories actors and cases in one volume      **Educart CBSE Class 12 POLITICAL SCIENCE One Shot Question Bank 2024-25 (Updated for 2025 Exam)** Educart, 2024-08-10 What You Get Competency based Q s Chapter wise Revision Maps Educart CBSE Class 12 POLITICAL SCIENCE One Shot Question Bank 2024 25 Updated for 2025 Exam Strictly Based on 22nd March 2024 CBSE Syllabus Chapter wise Important Q s from DIKSHA NCERT textbook and Exemplar Competency based Q s as per revised CBSE board exam pattern Last 12 years Previous Year Q s to practice frequently asked questions Why choose this book Practice Important Q s from all CBSE Sources with India s First Educart Class 12 One Shot      **The Cold War and the Origins of Foreign Relations of the People's Republic of China** NIU Jun, 2018-10-16 In The Cold War and the Origin of Diplomacy of People s Republic of China Niu Jun offers a new analytical framework for understanding the Cold War and PRC s diplomacy from 1949 to 1955 He sees it as an interactive historical process between the Cold War China s domestic transition from revolution to nation building and the revolutionary ideology in the minds of Chinese leaders and Chinese people Niu Jun s analytical framework sheds fresh light on the widely studied events of PRC s diplomacy such as China s alliance with the Soviet Union and confrontation with the U S military actions on the Korean Peninsula and in Indochina settlement of the first Taiwan Strait crisis development of nuclear weapons and so on

After the Cold War Arthur I. Cyr, 1997-06-18 The end of the Cold War provides challenges and opportunities for American foreign policy leadership that arguably have been equalled in modern times only by the period in which the Cold War began With the collapse of the Soviet Union and communist regimes in Eastern Europe the partners of the Atlantic alliance have achieved a profound diplomatic and political victory of historic importance The international system which has resulted however arguably has more uncertainty and unpredictability than the familiar bipolar competition between the two superpowers and their allies The book describes these changes and provides suggestions for policy analysis and definition in the future There is extensive discussion of developments during the Reagan Bush and Clinton administrations with particular reference to the two regions of Europe and Asia There is a three fold division between intellectual structural and sociological dimensions of foreign policy focusing respectively on the ideas and themes alliance and other regional and international organizations including the private corporation and human dimensions which both define and influence evolving international relations A principal argument is that the extraordinary expansion of communication travel and economic activity and opportunity among industrialized nations has greatly enhanced American political and social influence There is considerable comparative discussion of Europe and Asia concluding that Britain and South Korea provide instructive examples for the understanding and conduct of foreign policy      **Mao's China and the Cold War** Jian Chen, 2010-03-15

This comprehensive study of China's Cold War experience reveals the crucial role Beijing played in shaping the orientation of the global Cold War and the confrontation between the United States and the Soviet Union. The success of China's Communist revolution in 1949 set the stage, Chen says. The Korean War, the Taiwan Strait crises and the Vietnam War, all of which involved China as a central actor, represented the only major hot conflicts during the Cold War period, making East Asia the main battlefield of the Cold War while creating conditions to prevent the two superpowers from engaging in a direct military showdown. Beijing's split with Moscow and rapprochement with Washington fundamentally transformed the international balance of power, argues Chen, eventually leading to the end of the Cold War with the collapse of the Soviet Empire and the decline of international communism. Based on sources that include recently declassified Chinese documents, the book offers pathbreaking insights into the course and outcome of the Cold War.

America Pathways to the Present, 1995

*Oswaal NDA-NA Question Bank | Chapter-wise Previous Years Solved Question Papers (2014-2023) Set of 3 Books : English, General Studies, Mathematics For 2024 Exam* Oswaal Editorial Board, 2023-10-28

Congressional Record United States Congress, 1984. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873.

**US Foreign Policy and Global Standing in the 21st Century** Efraim Inbar, Jonathan Rynhold, 2016-01-13. This book examines US foreign policy and global standing in the 21st Century. The United States is the most powerful actor in world politics today. Against this backdrop, the present volume examines how the foreign policies pursued by Presidents George W. Bush and Barack Obama have affected elite and public perceptions of the United States. By examining America's standing from the perspective of different actors from across various regions including China, Russia, Latin America, and the Middle East, while also assessing how these perceptions interact with America's own policies, this book presents a fresh interpretation of America's global standing. In doing so, the volume evaluates how these perceptions affect the realities of US power and what impact this has on moulding US foreign policy and the policies of other global powers. A number of books address the question of which grand strategy the United States should adopt and the issue of whether or not America is in relative decline as a world power. However, the debate on these issues has largely been set against the policies of the Bush administration. By contrast, this volume argues that while Obama has raised the popularity of America since the low reached by Bush, America's credibility and overall standing have

actually been damaged further under President Obama This book will be of much interest to students of US foreign policy US national security strategic studies Middle Eastern politics international relations and security studies generally
