Righting America at the Creation Museum Susan L. Trollinger, William Vance Trollinger, 2016-05-15 In *Righting America at the Creation Museum* Susan L Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the National Selection Room where placards argue that natural selection doesn t lead to evolution The book also traces the rise of creationism and

the history of fundamentalism in America The Gospel of Climate Skepticism Robin Globus Veldman,2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change **Always Be Ready to Give an Answer!** Charlie Liebert,2015-06-23 Christians are often asked hard questions about their faith Many believe they cant answer them As a result they dont witness for Christ They change the subject or avoid it entirely and never get to Christ Their personal evangelism is stumped What can they do Heres an effective answer Discover the questioners presuppositions by taking their spiritual temperature This gives you opportunity to witness to Gods life changing power without yet answering their question This book gives you the power to become the witness Christ has called you to be without fear *Foolish Faith* Judah Etinger,2003-06-01 Everywhere one looks tolerance of all world views is championed all world views except those set forth in the Bible Judah Etinger has the singular ability to present truth in ways that speak to the hearts of both seekers and those who will say they are not seeking God or religion or truth In Foolish Faith the author sheds light on the various world religions philosophies and evidences His helpful readable style helps seekers see a clear path to the answer to it all Find the answers to the following questions within this book Which of the world s religions is the correct one Which is right creation or evolution Does the Bible support or contradict science Does the Bible contradict itself Is the Bible a reliable historical document Did Christ really rise from the dead **Creationism and Anti-Creationism in the United States** Tom Kaden,2018-09-20 This book deals with professional creationist and anti creationist organizations in America and describes how the conflict between science and religion is the result of the interaction between these two groups It retraces their history from the 1960s onwards and identifies crucial turning points that led to new forms of creationism and anti creationism It explains their strategies labels and arguments as effects of this history and structure Taking a field theoretical approach the book avoids problems of prior creationism research making it possible to identify the mechanisms through which creationism generates new strategies arguments and media output The field model is used as an interpretive tool to make sense of some of the most important creationist and anti creationist publications and media statements **Humanity** John S. Hammett,Katie J. McCoy,2023-09-01 Humanity by John Hammett and Katie McCoy is an urgent theological study of
