Designing Effective Language Learning Materials for Less Commonly Taught Languages Öner Özçelik, Amber Kennedy Kent, 2023-08-01 A step by step guide to designing materials for learning world languages from expert instructional designers Many teachers of less commonly taught languages or LCTLs find themselves in the position of needing access to quality language teaching and learning materials where none exist or where those that do are extremely outdated *Designing Effective Language Learning Materials for Less Commonly Taught Languages* is a concise guide for language instructors or anyone with an interest in developing language learning materials While leading instructors through the development process using the ADDIE model of instructional design Analysis Design Development Implementation Evaluation z elik and Kent present examples from many different languages provide reflection questions for readers to consider at the end of each chapter and give concrete strategies and tips throughout the process Readers will come away from the book with a more comprehensive understanding of how to develop materials for world language learning in general and LCTL learning in particular and a clear roadmap for doing so Simply written and free of overly complicated jargon or rhetoric *Designing Effective Language Learning Materials for Less Commonly Taught Languages* will be an invaluable reference for novice and experienced instructors alike as well as directors of language programs

Social interaction, identity and language learning during residence abroad Rosamond Mitchell, Nicole Tracy-Ventura, Kevin McManus, 2015-08-10 Study and residence abroad are important for adult second language learning promoting oral skills fluency and sociopragmatic competence in particular alongside broader intercultural competence However learner achievements during residence abroad are variable and cannot

be fully understood without attention to the social settings in which learners engage and the social networks they develop. This edited collection explores the relationship between sociocultural experience, identity, and language learning among student sojourners abroad. Three broad themes are identified: the contribution of different settings (host families, student exchanges, work placements, etc.) to language learning opportunity; the role of social networks in sojourners' language practices and learning success; and their evolving social identities. The book is relevant for a readership interested in informal second language learning as well as for managers of residence abroad programmes.

Multiliteracies, Multimodality, and Learning by Design in Second Language Learning and Teacher Education Agustín Reyes-Torres, María Estela Brisk, Manel Lacorte, 2025-04-30

Multiliteracies, Multimodality, and Learning by Design in Second Language Learning and Teacher Education offers valuable insights and practical strategies for addressing the language and literacy needs of students in diverse multilingual classrooms. This edited volume delves into the dynamic interplay between multimodality, multiliteracies, and Learning by Design (LbyD), providing evidence-based research and actionable guidance for their effective implementation in second language learning and teacher education. Examining the advantages of incorporating multimodality and multiliteracies in second language teacher training, this book emphasizes the use of multimodal texts to create engaging and meaningful lessons for L2 learners. By empowering students as active co-constructors of knowledge, this book equips educators with the necessary tools to foster a vibrant and inclusive learning environment. Designed specifically for pre-service and practicing teachers, this book serves as an indispensable resource for integrating the pedagogy of multiliteracies into both coursework and classroom practices.
