

Section-A Elements of art

Elements of art are stylistic features that are included within an art piece to help the artist communicate. The seven most common elements include line, shape, texture, form, space, color and value, with the additions of mark making, and materiality. When analyzing these intentionally utilized elements, the viewer is guided towards a deeper understanding of the work.

Classifications Of Art

The various classifications of art include fine art, visual art, plastic art, performance art, applied art, and decorative art.
