14business Studies Mind The Gap Grade 1:

Empowering Teachers and Democratising Schooling Keith Heggart, Steven Kolber, 2022-09-13 This edited book brings together teachers and education academics who are committed to education about for and through democracy It presents a diverse range of viewpoints about the challenges facing educators working across different sectors and discusses ways to challenge issues like neoliberalism excessive managerialism and accountability and privatisation It also engages with the times that education has and continues to fail students This book outlines both logistical and ideological challenges which educators committed to democracy face and describes innovative approaches they have adopted including networking the use of social media and digital tools and extending their reach beyond their local communities to international audiences It encourages conversations about how educators and academics might re commit to education for democracy and generate further avenues for discussion and action by educators and academics

Innovative Activity in Minority-Owned and Women-Owned Business Albert N. Link, Laura T. R. Morrison, 2019-07-26 This volume examines the involvement of minority or women owned businesses in technology based research with particular focus on the differences in research outcomes in achieving commercialization Specifically the authors empirically investigate the correlation between technologies from projects funded through the Phase II Small Business Innovation Research SBIR program and the minority or gender demographics of the owners of the businesses conducting the research This study offers an opportunity to not only examine public sector agencies investments in research but also to investigate if there are race and or gender gaps in such business participation in innovative activities It also provides a means to understand innovation by minorities and women in the entrepreneurial ecosystem Investments in fundamental science and technology research and investments in human capital through science technology engineering and mathematics STEM education are important building blocks of innovation Two methods of fueling innovation are to 1 accelerate the commercialization of federally funded research and 2 ensure opportunities for underrepresented minorities and women in the entrepreneurial ecosystem Despite this understanding there is still a disparity in the rates of educated men and women in STEM fields participating in entrepreneurship Moreover the link between underrepresentation of minorities and women across STEM fields correlates with entrepreneurial entry and performance This book expands on these findings and estimates the probability that 1 a funded research project reaches completion 2 the developed technology is commercialized and finally 3 the commercialized technology is successful in the marketplace i e the business gained revenue and market share from the technology

The Role of the State and Accounting Transparency Mohammad Nurunnabi, 2016-03-17 Dr Mohammad Nurunnabi examines the factors that affect the implementation of International Financial Reporting Standards IFRS in developing countries and answers these specific research questions What is the relative impact of accounting regulatory frameworks and politico institutional factors on the implementation of IFRS in developing countries How do cultural factors affect said implementation How does a study of

implementing IFRS help to build an understanding of a theory of the role of the state in accounting change in developing countries This follows a mixed methodology approach in which interviews are conducted IFRS related enforcement documents and annual reports are evaluated More than 138 countries have adopted IFRS yet the International Accounting Standards Board IASB does not provide an implementation index Financial reporting varies by country even within the area of the world that has apparently adopted IFRS and Nurunnabi offers an important viewpoint that considers the issues of IFRS implementation from various perspectives This is an invaluable resource for Undergraduate Masters and PhD students policy makers at local regional and international level namely the IASB World Bank IMF practitioners and users giving them the necessary insight into the financial reporting environment and the state s attitude towards accounting transparency Most importantly this book contributes to military and democratic political regimes and the Max Weberian view of the theory of the role of the state s attitude towards accounting transparency

Green Marketing and Management in Emerging Markets Robert E. Hinson,Ogechi Adeola,Isaiah Adisa,2021-09-27 Adverse environmental impacts such as greenhouse gas emissions and chemical spills have put the topic of green business firmly on the sustainability agenda Despite the burgeoning literature on green business and green marketing from the globalised north there is relative parsimony of green business literature in the global south This book offers a greater understanding of what green marketing is as well as the various levels of practices and the implementations thereof It places specific emphasis on the people through which green marketing excellence can be achieved Contributors argue that given the complexity of green marketing people management plays a key role in achieving green marketing success and the chapters consider the role that green human resource management practices play in marketing Providing a unique perspective on the successful implementation of green marketing this book is an important resource for students researchers

and practitioners It is of particular interest to those who desire a greater understanding of how organisations deal internally and externally with increasing pressure to become more socially responsible and embed greenness in all their marketing activities *Oswaal CBSE Question Bank Class 12 English Core, Accountancy, Business Studies & Economics (Set of 4 Books) Chapterwise and Topicwise Solved Papers For Board Exams 2025* Oswaal Editorial Board,2024-02-15 Description of the product 100% Updated Syllabus Fully Solved Board Papers we have got you covered with the latest and 100% updated curriculum Crisp Revision with Topic wise Revision Notes Smart Mind Maps Extensive Practice with 3000 Questions Board Marking Scheme Answers to give you 3000 chances to become a champ Concept Clarity with 1000 Concepts 50 Concept Videos for you to learn the cool way with videos and mind blowing concepts NEP 2020 Compliance with Competency Based Questions for you to be on the cutting edge of the coolest educational trends **Managing the Legal Nexus Between Intellectual Property and Employees** Lynda J.
