These studies suggest that age-related differences in the ability to regulate attention may be related to differences in the ability to regulate the autonomic nervous system. Further research is needed to clarify the relationship between these two systems and the role of the autonomic nervous system in attention regulation.

Architecture and Design Versus Consumerism Ann Thorpe, 2012 Informed by recent research into the viability of a steady state economy this book sets an agenda for addressing the designer's paradox of sustainable consumption **Civitas by Design** Howard Gillette, Jr., 2011-06-06 Since the end of the nineteenth century city planners have aspired not only to improve the physical living conditions of urban residents but also to strengthen civic ties through better design of built environments From Ebenezer Howard and his vision for garden cities to today's New Urbanists these visionaries have sought to deepen civitas or the shared community of citizens In *Civitas by Design* historian Howard Gillette Jr takes a critical look at this planning tradition examining a wide range of environmental interventions and their consequences over the course of the twentieth century As American reform efforts moved from progressive idealism through the era of government urban renewal programs to the rise of faith in markets planners attempted to cultivate community in places such as Forest Hills Gardens in Queens New York Celebration Florida and the post Katrina Gulf Coast Key figures including critics Lewis Mumford and Oscar Newman entrepreneur James Rouse and housing reformer Catherine Bauer introduced concepts such as neighborhood units pedestrian shopping malls and planned communities that were implemented on a national scale Many of the buildings landscapes and infrastructures that planners envisioned still remain but frequently these physical designs have proven insufficient to sustain the ideals they represented Will contemporary urbanists efforts to join social justice with environmentalism generate better results Gillette places the work of reformers and designers in the context of their times providing a careful analysis of the major ideas and trends in urban planning for current and future policy makers **The Fate of the Day** Rick Atkinson, 2025-04-29 In the second volume of the landmark American Revolution trilogy by the Pulitzer Prize winning and 1 New York Times bestselling author of *The British Are Coming* George Washington's army fights on the knife edge between victory and defeat The first twenty one months of the American Revolution which began at Lexington and ended at Princeton was the story of a ragged group of militiamen and soldiers fighting to forge a new nation By the winter of 1777 the exhausted Continental Army could claim only that it had barely escaped annihilation by the world's most formidable fighting force Two years into the war George III is as determined as ever to bring his rebellious colonies to heel But the king's task is now far more complicated fighting a determined enemy on the other side of the Atlantic has become ruinously expensive and spies tell him that the French and Spanish are threatening to join forces with the Americans Prize winning historian Rick Atkinson provides a riveting narrative covering the middle years of the Revolution Stationed in Paris Benjamin Franklin woos the French in Pennsylvania George Washington pleads with Congress to deliver the money men and materiel he needs to continue the fight In New York General William Howe the commander of the greatest army the British have ever sent overseas plans a new campaign against the Americans even as he is no longer certain that he can win this searing bloody war The months and years that follow bring epic battles at Brandywine Saratoga Monmouth and Charleston a winter

of misery at Valley Forge and yet more appeals for sacrifice by every American committed to the struggle for freedom Timed to coincide with the 250th anniversary of the beginning of the Revolution Atkinson's brilliant account of the lethal conflict between the Americans and the British offers not only deeply researched and spectacularly dramatic history but also a new perspective on the demands that a democracy makes on its citizens *Reimagining Sustainable Cities* Stephen M. Wheeler, Christina D. Rosan, 2021-12-07 Introduction How do we get to carbon neutrality How do we adapt to the climate crisis How might we create more sustainable economies How can we make affordable inclusive and equitable cities How do we reduce spatial inequality How could we get where we need to go more sustainably How do we manage land sustainably How can we design greener cities How do we reduce our ecological footprints How can cities better support human development How might we have more functional democracy How can each of us help lead the move toward sustainable communities Conclusion **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1960 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **The Politics of Sexual Morality in Ireland** C. Hug, 2016-01-18 The research for this book was prompted by a combination of events in particular the election of Mary Robinson to the Presidency and the X Case which rocked Irish society The book is an exploration of the dynamics between the courts the legislators and the Irish citizens in relation to certain socio sexual questions divorce contraception abortion and homosexuality Spanning 73 years since the creation of the Irish State The Politics of Sexual Morality in Ireland questions the nature of the moral order regulating Irish society and the concept of democracy underlying it It examines the fragile balance struck between tradition and modernity **The Solicitors' Journal** ,1896 **The Solicitors' Journal and Reporter** ,1896 **Routledge Library Editions: Education 1800-1926** Various Authors, 2022-07-30 This set of 14 volumes originally published between 1932 and 1995 amalgamates several topics on the history of education between the years 1800 and 1926 including women and education education and the working class and the history of universities in the United Kingdom This set also includes titles that focus on key figures in education such as Samuel Wilderspin Georg Kerschensteiner and Edward Thring This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject and will be of particular interest to students of history education and those undertaking teaching qualifications Housing Policy Debate ,2007
