Damian Murchan, Gerry Shiel

2014 September Maths Test Grade 11:

Managed By Morons James Lawther, 2023-09-04 The antidote to mediocre management read it and become a better boss Management would be easy if it weren't for the corporate claptrap that gets in the way the painful organisational rituals that do nothing for a business's success SMART goals are not smart the annual round of target setting is a management power game and employee performance management is for fools If it is such a great idea why don't you do it at home Try telling your partner they are below standard and highlight their development opportunities Imagine how that would play out You don't need an Executive MBA to be a captain of industry Nor do you need to climb on the bandwagon of the next big thing Management by Objectives Best Practice Benchmarking and the Tao of Transformational Leadership have all been and gone though you might need some Artificial Intelligence to sift through all that Big Data There are easier ways to create flourishing workplaces James Lawther spent a third of a century in corporate Britain He has been taken for a ride by leadership gurus seduced by technology fleeced by management consultants and had his fair share of truly dreadful managers But he learned how to build a thriving organisation along the way There is no secret sauce and like all good things it is simple when you know how Buy this book and rediscover the obvious Your customers employees and bosses will love you for it

Celebrating Life Customs around the World Victoria R. Williams, 2016-11-21 This book documents hundreds of customs and traditions practiced in countries outside of the United States showcasing the diversity of birth coming of age and death celebrations worldwide From the beginning of our lives to the end all of humanity celebrates life's milestones through traditions and unique customs In the United States we have specific events like baby showers rites of passage such as Bat and Bar Mitzvahs and sweet 16 birthday parties and sober end of life traditions like obituaries and funeral services that honor those who have died But what kinds of customs and traditions are practiced in other countries How do people in other cultures welcome babies prepare to enter into adulthood and commemorate the end of the lives of loved ones This three volume encyclopedia covers more than 300 birth life and death customs with the book's content organized chronologically by life stage Volume 1 focuses on birth and childhood customs Volume 2 documents adolescent and early adulthood customs and Volume 3 looks at aging and death customs The entries in the first volume examine pre birth traditions such as baby showers and other gift giving events and post birth customs such as naming ceremonies child rearing practices and traditions performed to ward off evil or promote good health The second volume contains information about rites of passage as children become adults including indigenous initiations marriage customs and religious ceremonies The final volume concludes with coverage on customs associated with aging and death such as retirement celebrations elaborate funeral processions and the creation of fantasy coffins The set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government accepted names wedding vows and maternity paternity leave regulations
