

BUNGEE DROP

1. **DESCRIPTION:** Each team will design one "elastic" cord to conduct two separate "drops" at a given height(s) and attempt to get a drop mass placed in a bottle as close as possible to, but without touching, a landing surface (plane).

A TEAM OF UP TO: 2

IMPOUND: Yes

TIME: approximately 15 minutes

2. **EVENT PARAMETERS:**

- a. Teams must provide one "elastic" cord to be used for both drops that terminates with a closed metal ring approximately 1/2 to 1 inch in diameter (e.g., a key ring) that will not open and may bring their own measuring devices, to confirm heights, length or mass during the time given for preparing their two drops.
- b. Supervisors will supply a drop mass (50-300 grams) that will be placed in a 300-591 mL plastic bottle and is the same for both drops, an attachment mechanism (hook, clasp, carabiner, etc.) that will connect the team's bottom cord ring to the bottle and a top anchoring system/extended platform with a release mechanism (e.g., a clamp) to attach the top end of the elastic cord, which all teams must use. At Regionals, the mass will be in multiples of 25 grams, at State the mass will be in multiples of 10 grams, and at Nationals it may be any mass. The bottle's total mass value and length, including the attachment mechanism, will be posted immediately after impound.
- c. Supervisors must provide an accurate system for determining how close a team's device came to the landing surface (plane), and whether or not it touched. Some successful methods for determining the closeness of a drop to the landing surface (plane) include multiple spotters or digital video cameras. Possible methods for determining whether the device touched or broke the landing surface (plane) include a carbon paper drop area or a very fine powder landing area.

3. **THE COMPETITION:**

- a. The Drop: Teams will be given a total of 5 minutes to prepare their device in the holding area, followed immediately by 5 minutes to complete both drops.
- b. The drop heights: both "drop heights" will be between 2-5 meters (at Nationals the drop heights will be between 5-10 m). At Regionals and State the 2nd drop height may be the same or different. At National the drop heights will be different. The exact height from which the drop must occur will be verified by at least two separate measurements by the supervisor. The drop height values and drop instructions will be posted immediately after impound.
- c. Elastic cords must be impounded prior to posting the bottle's length and total drop mass value and drop height(s). No physical alterations may be made to the elastic cord once it has been impounded (with the exception of marking drop locations on the cord before the drops). Any team that fails the "elasticity test" will be allowed to compete, but will be ranked behind all teams which pass the test. The cord may consist of more than one material (contest rubber, nylon, latex tubing, thread, sewing elastic, metal springs, etc.) and more than one strand as long as it meets the elasticity test. The operational definition of elasticity for this event is: while being suspended vertically, the bottom meter of the cord must stretch to at least 1.25 meters when a single 500g mass is attached to this section and return to approximately its original length after the mass is removed. "Self-limiting-brake" mechanisms such as a separate, parallel, non-elastic strand that "brakes" the fall of the mass with little to no rebound are not permitted.

4. **SCORING:**

- a. The final score will be the sum of the distances between the lowest point of the bottle and the surface (plane) for each drop. The team with the lowest total distance for the two drops will be the winner.
- b. Teams with one drop that touches the landing surface (plane) will be ranked below those that have no touches. Teams with two touches will be ranked below those teams with one touch. Teams that failed the elasticity test will rank below all those that passed the elasticity test.
- c. If there is a tie, the team with the single best drop overall (closest to the landing surface (plane) on either drop) will win. Second tiebreaker is the cord with the greatest stretch in the elasticity test.

2014 Rules Science Olympiad Introduction

In the digital age, access to information has become easier than ever before. The ability to download 2014 Rules Science Olympiad has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download 2014 Rules Science Olympiad has opened up a world of possibilities. Downloading 2014 Rules Science Olympiad provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading 2014 Rules Science Olympiad has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download 2014 Rules Science Olympiad. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading 2014 Rules Science Olympiad. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading 2014 Rules Science Olympiad, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download 2014 Rules Science Olympiad has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About 2014 Rules Science Olympiad Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. 2014 Rules Science Olympiad is one of the best book in our library for free trial. We provide copy of 2014 Rules Science Olympiad in digital format, so the resources that you find are reliable. There are also many Ebooks of related with 2014 Rules Science Olympiad. Where to download 2014 Rules Science Olympiad online for free? Are you looking for 2014 Rules Science Olympiad PDF? This is definitely going to save you time and cash in something you should think about.
