2014june Business Memorudam:

Overcoming Global Inequalities Immanuel Wallerstein, Christopher Chase-Dunn, Christian Suter, 2015-11-17 This book examines the changing nature of global inequalities and efforts that are being made to move toward a more egalitarian world society The contributors are world historical sociologists and geographers who place the contemporary issues of unequal power wealth and income in a global historical perspective The geographers examine the roles of geopolitics and patterns of warfare in the historical development of the modern world system and the sociologists examine endeavours to improve the situations of poor peoples and nations and to engage the challenges of sustainability that are linked with global inequalities Overcoming Global Inequalities contains cutting edge research from engaged social scientists intended to help humanity deal with the challenges of global inequality in the 21st century

United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 5 , Indefensible Paul Holden, 2016-09-15 Although there is often opposition to individual wars most people continue to believe that the arms industry is necessary in some form to safeguard our security provide jobs and stimulate the economy Not only conservatives but many progressives and liberals support it for these reasons Indefensible puts forward a devastating challenge to this conventional wisdom which has normalised the existence of the most savage weapons of mass destruction ever known It is the essential handbook for those who want to debunk the arguments of the industry and its supporters deploying case studies statistics and irrefutable evidence to demonstrate they are fundamentally flawed both factually and logically Far from protecting us the book shows how the arms trade undermines our security by fanning the flames of war terrorism and global instability In countering these myths the book points to ways in which we can combat the arms trade s malignant influence reclaim our democracies and reshape our economies

European Union and Global Governance *Uganda* International Monetary Fund. African Dept.,2015-11-20 This paper discusses Uganda's Fifth Review Under the Policy Support Instrument PSI and Request for Waiver of an Assessment Criterion and Modification of Assessment Criteria The economy of Uganda has fared well in a difficult environment Program performance under the PSI was generally positive All end June and continuous quantitative assessment criteria were observed with one exception and so were most indicative targets Inflation remained within the bands of the consultation clause An unprecedented increase in tax revenue was a key achievement However further progress on structural reforms is needed The authorities are rightly adjusting the policy mix The IMF staff recommends completing the fifth review under the PSI

Boundaries and Borderlands Alka Acharya,2022-07-21 The Simla Convention of 1914 held between Great Britain China and Tibet demarcated the border between India and Tibet and gave birth to the McMahon Line This volume critically examines the legacy of the 1914 Convention and explores its relevance in scholarly discourse about the status of Tibet and Sino Indian relations more than a hundred years later The book discusses the significance of the Simla Convention both in terms of the geopolitics of boundaries as well as the people and the liminal borderlands they occupy encapsulating the culture and diversity of the trans Himalayan regions The book explicates how colonial legacies namely the 1914 Simla Convention have become virtual straitjackets hardening the positions on the boundaries between India and China It also looks at the debilitating consequences of the nation state framework on more substantial investigations of the borderlands Rich in archival material and drawing from the authors fieldwork in the Himalayan regions this book analyses muted voices of the inhabitants of the region to bring into focus the larger question of the political economic religious ecological and social life of the Himalayan peoples which has enormous implications for both India and China This volume will be of interest to students of history international relations sociology strategic studies Asian studies and anthropology

HC 178 - Northern Ireland: Banking on Recovery? - HC 178 Great Britain. Parliament. House of Commons. Northern Ireland Affairs Committee,2015 From the reckless high risk attitude of many banks pre financial crisis the pendulum appears to have swung too far back in the opposite direction Over the past year the Northern Ireland economy has shown very welcome signs of recovery with many new jobs recently being announced and the banks themselves showing a return to profitability The banks need to build on this It is regrettable that banks such as FTB and Danske have chosen not to participate in HM Government's Funding for Lending Scheme thereby potentially denying Northern Ireland further capacity for growth The banks have assured us they are open for business it is essential that they now put their money where their mouth is to help small businesses play their part in Northern Ireland's economic recovery Customer service and IT services need to improve considerably for banks themselves to really play their part

Ultra-Large Aircraft, 1940-1970 William Patrick Dean,2018-04-24 In 1962 a unique transport aircraft was built from the parts of 27 Boeing B 377 airliners to provide NASA a means of transporting rocket boosters With an interior the size of a gymnasium The Pregnant Guppy was the first of six

enormous cargo planes built by Aero Spacelines and two built by Union de Transport Aeriens More than half a century later the last Super Guppy is still in active service with NASA and the design concept has been applied to next generation transports This comprehensive history of expanded fuselage aircraft begins in the 1940s with the military's need for a long range transport The author examines the development of competing designs by Boeing Convair and Douglas and the many challenges and catastrophic failures Behind the scenes maneuvers of financiers corporate raiders mobsters and other nefarious characters provide an inside look at aviation development from the drawing board to the scrap yard
