Shooting Straight Shane Clapper, 2008-02 America is winning in Iraq Yes you read that correctly How you ask Thats what Shooting Straight How the American Led Coalition is Winning the War in Iraq answers Shane Clapper has spoken directly with soldiers who have been there and witnessed the blood shed and the carnage of war Yet they have also seen the good that is coming out of the liberation process Their accounts on how the people of Iraq their mission and the future of Iraqi democracy look like are entirely different than what one gets on the evening news This is their story From the fall of Baghdad to Beanie Babies becoming the new Iraqi fad From the excitement of reality TV becoming a hit within the country to Iraq s Weapons of Mass Destruction Clapper covers it all from front to back and beyond As a doctor serving in Iraq Lieutenant Colonel Gary Morsch put it What you see graphically on television is only a sliver of the whole pie The media is not giving you the big picture or the whole truth The fact is there are far more people who appreciate and respect Americans than youd guess by watching TV In fact those who oppose our presence are a very small minority Sure there are bombings and beheadings in Iraq Sure lots of American and Iraqis have died in the conflict Yet there are immense signs of progress from education to business opportunities to reconstruction to womens rights and in even of all areas sports The list is long on the good things that are going on in Iraq Shooting Straight How the American Led Coalition is Winning the War in Iraq shows what television most newspapers and even President Bush has failed to do It tells why we are winning in Iraq From facts and figures to quotes from Iraqis and American soldiers to stories that will warm your heart Shooting Straight will get behind the fiction
