WESTERN EUROPE
& EUROPEAN UNION

64/100

AVERAGE SCORE

The Corruption Perceptions Index (CPI) is a global benchmark for corruption. It is based on data from Transparency International (TI) and is used to measure the perceived level of corruption in a country. The CPI is a composite index of various indicators, including the quality of the legal system, the effectiveness of the judiciary, and the transparency of government operations. The CPI is a key indicator of the integrity of a country's governance and is used by investors, businesses, and the public to make informed decisions.

Corruption and Global Justice Gillian Brock, 2023 Corruption is a pervasive problem for global justice Gillian Brock presents a much needed philosophical treatment She offers a new framework for allocating responsibility for corruption providing the analytical tools we need to tackle the global injustice that it causes

Corruption and Organized Crime in Europe Philip Gounev, Vincenzo Ruggiero, 2012 In Corruption and Organised Crime in Europe Gounev and Ruggiero present a discussion of the relation between organized criminals and corruption in the EU's 27 Member States The book draws on research and scholarly work the editors carried out respectively within the Center for the Study of Democracy CSD in Bulgaria and within academic institutions as well as on behalf of the European Commission and the United Nations Combining empirical data and theoretical debates the book focuses on three main areas of the relationship between corruption and organised crime public bodies the private sector and criminal markets It presents the findings of a recent research project carried out by the CSD on behalf of the European Commission providing an analysis of the specific national contexts in which corruption and organized crime thrive The essays also address institutional responses and policies focusing particularly on how EU Member States attempt to sever the links between the official economy the political sphere and organized crime The second part of the book presents case studies written by some of the foremost international experts on the subject matter analysing corrupt exchange and criminal organisations concentrating on specific European countries Bulgaria France Greece Italy Russia Spain and the UK As the first comprehensive study of corruption and organised crime in the countries of the European Union the book will be a valuable resource for students and scholars of criminology sociology law and international politics as well policy makers and law enforcement agencies

Curbing Corruption in Asian Countries Jon S. T. Quah, 2011-07-21 As corruption is a serious problem in many Asian countries their governments have introduced many anti corruption measures since the 1950s This book analyzes and evaluates the anti corruption strategies employed in Hong Kong SAR India Indonesia Japan Mongolia the Philippines Singapore South Korea Taiwan and Thailand

Confronting Corruption in Business Alan T. Belasen, Roxana Toma, 2015-12-07 Confronting Corruption in Business focuses on the contextual issues that trigger corruption to give the reader a more thorough understanding of destructive leadership It provides students with a unique critical perspective on issues of leadership corruption and policy in different countries industries and companies While there isn't a universally agreed upon definition of corruption in social sciences it generally refers to efforts to secure wealth or power through misusing public power for private gain This kind of destructive leadership is typically treated as an anomaly but this book closes the gap in our understanding by highlighting the wider consequences of this behavior within business and on an international level Armed with this understanding one also learns how to mitigate its causes and consequences Edited by leading experts the book includes contributions from scholars with international expertise on leadership strategy political science finance organizational change and public policy It is the first book to focus

on corruption on the country level and within business and students in international business management ethics and leadership classes will find it a valuable read

Grand Corruption Robert I. Rotberg, Fen Osler Hampson, 2024-08-30 This book examines the nature causes and consequences of grand corruption showing how it can be assessed measured and attacked from within and without The volume brings together in a single definitive text some of the best analyses on how to measure the costs of grand corruption and dissects the legal approaches and institutions to counter grand corruption and kleptocracy Through a series of compelling country case studies the book explores how corrupt political elites and public officials have stolen from the public purse for personal gain at the expense of their own people and their country's social and economic development It also highlights the role of financial and legal intermediaries in the West in laundering these ill gotten gains The volume then explores the impact of existing legal constraints on controlling corruption some of which are still in the evolutionary stage of development It draws lessons from different national attempts to control corruption as well as regional and international initiatives The final section of the volume discusses a variety of new anti corruption initiatives including efforts to establish an International Anti Corruption Court This book will be of much interest to students of grand corruption global governance foreign policy international law and international relations

The Hidden Order of Corruption Donatella della Porta, Alberto Vannucci, 2016-03-23 When corruption is exposed unknown aspects are revealed which allow us to better understand its structures and informal norms This book investigates the hidden order of corruption looking at the invisible codes and mechanisms that govern and stabilize the links between corrupters and corruptees Concentrating mainly on democratic regimes this book uses a wide range of documentation including media and judicial sources from Italy and other countries to locate the internal equilibria and dynamics of corruption in a broad and comparative perspective It also analyses the Transparency International Annual Reports and the daily survey of international news to present evidence on specific cases of corruption within an institutional theory framework

The Politics of Corruption in Dictatorships Vineeta Yadav, Bumba Mukherjee, 2016 This book analyzes why some dictators find it in their self interest to curb corruption

Corruption in International Investment Arbitration Aloysius P. Llamzon, 2014 This text presents a study on corruption in international investment arbitration The book considers the limited effectiveness of efforts to combat transnational corruption in international law and the emergence of international investment arbitration as a singular means for effective control of corruption within the international legal order The case law on corruption by investment tribunals is studied exhaustively jurisprudential trends are identified and reforms aimed at enhancing the effectiveness and fairness of investment arbitration as a mechanism to combat corruption are proposed

Understanding and Preventing Corruption A. Graycar, T. Prenzler, 2013-11-04 Graycar and Prenzler present a readily accessible guide to the issues of public and private sector corruption outlining the nature and dimensions of corruption problems in a variety of settings across the world and providing a set of practical strategies to prevent corruption that also facilitate economic growth and development

Corruption and Government Susan Rose-Ackerman, Bonnie J. Palifka, 2016-03-07 The second edition of Corruption and Government updates Susan Rose Ackerman's 1999 book to address emerging issues and to rethink old questions in light of new data The book analyzes the research explosion that accompanied the fall of the Berlin Wall the founding of Transparency International and the World Bank's decision to give anti corruption policy a key place on its agenda Time has vindicated Rose Ackerman's emphasis on institutional reform as the necessary condition for serious progress The book deals with routine payoffs and with corruption in contracting and privatization It gives special attention to political corruption and to instruments of accountability The authors have expanded the treatment of culture as a source of entrenched corruption and added chapters on criminal law organized crime and post conflict societies The book outlines domestic conditions for reform and discusses international initiatives including both explicit anti corruption policies and efforts to constrain money laundering
