WARNING

WARNING

WARNING

WARNING

SETUP AND MAINTENANCE SERVICE MUST BE PERFORMED BY AN AUTHORIZED HONDA MOTORCYCLE DEALER. Proper setup and maintenance service is essential to the safety and reliability of the motorcycle. When a customer takes delivery of the latest new motorcycle, he expects it to be in optimum running condition. There are two things that will cause greater customer dissatisfaction than poor operation of a new motorcycle. The first is incorrect setup by the dealer's mechanics and service staff and the second is the failure to follow operation, storage or the schedule of maintenance for the bike.

NOTE: Right and left are determined from the rider's view.
