Aint Life Great:

AIN'T LIFE GREAT! Don Melbourne, 2015-05-25 Don Melbourne began writing short stories when he retired from social work. Much of his work is inspired by real life observations, experiences, and events; the stories therefore are wide ranging. You can expect an intriguing mix of humour, fantasy, bloody murder, betrayal, ghostly goings on, insanity, mystery, and the downright bizarre. And oh yes, definitely the unexpected. Don lives in an apartment overlooking a busy canal in the Black Country, England. With partner Jan, he enjoys exploring the fascinating canal network, discovering windmills, and participating in that hectic adventure called life. **Life, Ain't It Great, and How to Enjoy It.** Tony Bovi, 2014-04-17 Helping and inspiring and encouraging others are all goals that this book wants to instill in others. Tony blogs almost daily words to help fire the drive in people, let all know that life can be great and ordinary is not dull but memorable. He relates his childhood, business life, and lessons he learned into stepping stones for everyone to relate to themselves. If there are words that cannot be understood, this could only be a result of either a typographical error or the editor decided to upgrade the language. The author is just a normal human being with a basic education, trying to reach out to anyone who might benefit from his thoughts. He is not a psychologist, psychiatrist, social worker, or clinical specialist. He is just someone who talks about life as he sees it. Enjoy a relaxing and hopefully entertaining read. **The Best Life Ain't Easy** Virelle Kidder, 2008-10-01 There are books that make you laugh. There are books that make you cry. There are books that teach you how to live day by day in a fallen world. The Best Life Ain't Easy is all of them. This is what Virelle has to say. This is the story of my life before and after Christ growing up in the average American dysfunctional family. My father, whom I loved dearly, suffered from an untreated mental illness and alcoholism, eventually leaving my mother, brother, and me when I was seven. He died when I was twelve. My mother sought normalcy. I sought the brass ring. Almost instantly at age 25, I met Christ, and He spoiled everything. Life is better caught than taught. As a woman of any age, you will identify with life in some manner as Virelle knew it. And by the end of the story, you will hopefully identify with Jesus. *Ain't Life a Pomegranate?*, **Life Ain't Nice, so Get over It!** Patrice Baker, 2011-08-31 If the feelings of anger, fear, and frustration with the way your life is going have you stuck, if you are tired of doing the same old thing and getting the same old results, if you want more from your life and believe that you deserve it, this book is for you. In conversations with women in particular across the country, Patrice Baker knows that many of you suffer in silence. Not sure of what to do or who to turn to for the answers, fearful that your loved one may have a mental illness, angry that another relationship ended in disappointment, frustrated because you don't get the recognition you deserve at work or at home. In *Life Ain't Nice So Get Over It*, Patrice Baker gives you insights on how to make insurmountable obstacles surmountable. Using the seeds of faith, hard work, education, family values planted by her ancestors, she courageously faces her own, once debilitating emotions. An inspiring story of a woman who has created a life filled with more joy, peace, and an unstoppable spirit. **Tsawalk** E. Richard Atleo, 2024-03-20 Western philosophy has long held scientific rationalism in a

place of honour Reason that particularly exalted human quality has become steadily distanced from the metaphysical aspects of existence such as spirit faith and intuition In Tsawalk hereditary chief Umeek introduces us to an alternative indigenous worldview an ontology drawn from the Nuuchah-nulth origin stories Umeek develops a theory of Tsawalk meaning one that views the nature of existence as an integrated and orderly whole and thereby recognizes the intrinsic relationship between the physical and spiritual By retelling and analyzing the origin stories of Son of Raven and Son of Mucus Umeek demonstrates how Tsawalk provides a viable theoretical alternative that both complements and expands the view of reality presented by Western science Tsawalk he argues allows both Western and indigenous views to be combined in order to advance our understanding of the universe In addition he shows how various fundamental aspects of Nuuchah-nulth society are based upon Tsawalk and what implications it has today for both Native and non Native peoples A valuable contribution to Native studies anthropology and philosophy Tsawalk offers a revitalizing and thoughtful complement to Western scientific worldviews
