Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Understanding the Military Design Movement** Ben Zweibelson,2023-06-09 This book explains the history and development of the military design movement featuring case studies from key modern militaries Written by a practitioner the work shows how modern militaries think and arrange actions in time and space for security affairs and why designers are disrupting challenging and reconceptualizing everything previously upheld as sacred on the battlefield It is the first book to thoroughly explain what military design is where it came from and how it works at deep philosophically grounded levels and why it is potentially the most controversial development in generations of war fighters The work explains the tangled origins of commercial design and that of designing modern warfare the rise of various design movements and how today s military forces largely hold to a Newtonian stylization built upon mimicry of natural science infused with earlier medieval and religious inspirations Why does our species conceptualize war as such and how do military institutions erect barriers that become so powerful that efforts to design further innovation require entirely novel constructs

outside the orthodoxy The book explains design stories from the Israel Defense Force the US Army the US Marine Corps the Canadian Armed Forces and the Australian Defence Force for the first time and includes the theory doctrine organizational culture and key actors involved Ultimately this book is about how small communities of practice are challenging the foundations of modern defence thinking This book will be of much interest to students of military and strategic studies defence studies and security studies as well as design educators and military professionals Forthcoming Books Rose Arny,2000 **AGIFORS Symposium // Airline Group.*International Federation of Operational Research Societies***,1986 **Professional Development Guide - Air Force Pamphlet 36-2241** Department of the Air Force,2017-07-29 This pamphlet implements AFD 36 22 Air Force Military Training and AFI 36 2642 Professional Advancement and Continuous Education Information in this guide is taken primarily from Air Force publications and based on knowledge requirements from the Military Knowledge and Testing System MKTS as determined by the MKTS Advisory Council of the Chief Master Sergeant of the Air Force CMSAF and major command MAJCOM command chief master sergeants CCM Attachment 1 contains references and supporting information used in this publication The use of the name or mark of any specific manufacturer commercial product commodity or service in this publication does not imply endorsement by the Air Force This guide is the sole source reference material for the Promotion Fitness Examination PFE and United States Air Force Supervisory Examination USAFSE *Officer Professional Development Guide* United States.
