The Complete Manual of Airbrushing Techniques Peter Owen, Jane Rollason, 1988 **A Practical Guide to Airbrushing** Andy Charlesworth, 1990 Although the airbrush has been in use since the early 1900s there are still comparatively few artists who actually specialize in this area. Indeed the very mention of the word airbrush is still inclined to induce panic in any art school. Yet if any professional airbrush artist is asked where and how they learnt their skill their answer is always self taught. This not only takes hours of precious time but also ends up costing a lot of money in terms of wasted material.
