Assessing and Correcting Reading and Writing Difficulties Thomas G. Gunning,2002 This text provides numerous examples and thorough coverage of procedures for assessing and instructing struggling readers of all ages In keeping with current theory the text emphasizes prevention and early intervention It is based on the premise that student performance is variable and that assessment and instruction are planned and modified to meet the varied needs and levels of students Gunning does not subscribe to a medical model that emphasizes deficiencies but rather focuses on what students can do This text calls for inclusion not exclusion but recognizes that struggling learners need expert carefully planned assessment and instruction Assessment coverage includes a grounding in basic concepts of tests and measurement While formal standardized measures are described emphasis is placed upon informal but highly regarded techniques such as the informal reading inventory miscue analysis running records observation think alouds holistic scoring of writing and portfolio assessment In addition to chapters devoted specifically to assessment ways to connect assessment and instruction are mentioned throughout the text Coverage of instructional techniques is thorough and practical Nine chapters are devoted to instructional techniques Computerworld ,1989-06-05 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **Guns in American Society** Gregg Lee Carter,2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society An Encyclopedia of History Politics Culture and the Law* was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters History of Military Cartography Elri

Liebenberg, Imre Josef Demhardt, Soetkin Vervust, 2016-01-28 This volume gathers 19 papers first presented at the 5th International Symposium of the ICA Commission on the History of Cartography which took place at the University of Ghent Belgium on 25 December 2014 The overall conference theme was Cartography in Times of War and Peace but preference was given to papers dealing with the military cartography of the First World War 1914-1918 The papers are classified by period and regional sub theme i.e. Military Cartography from the 18th to the 20th century WW I Cartography in Belgium Central Europe etc

Voices of Conscience Nicole Reinhardt, 2016 *Voices of Conscience* analyzes how the link between politics and conscience was articulated and shaped throughout the seventeenth century by confessors who acted as counsellors to monarchs Against the backdrop of the momentous intellectual theological and political shifts that marked this period the study examines comparatively how the ethical challenges of political action were confronted in Spain and France and how questions of conscience became a major argument in the hegemonic struggle between the two competing Catholic powers As Nicole Reinhardt demonstrates counsel of conscience was not a peripheral feature of early modern political culture but fundamental for the definition of politics and conscience Tracing the rise and fall of confessors as counsellors reveals the parallel transformation of both approaching a historical understanding of the modernisation of politics with the idea of an individual conscience at its heart Placed at the junction of norms and practices royal confessors directly or in oblique reflection shaped the ways in which the royal conscience was identified and scrutinized By the same token the royal confessors expertise and activities remained a source of anxiety and conflict that triggered wide debate on the relationship between State and Church religion and politics The notion of counsel of conscience of which this book provides the first in depth analysis allows the reader to re-examine and challenge fundamental historical paradigms such as the emergence of absolutism individualisation and the division of public and private Putting theological concepts and religious dimensions back into political theory and practice sheds new light not only on the importance of counselling for early modern statecraft but also on the reconfiguration of the normative frameworks underlying it
