Name:
Address:
Contract Information:
PTIN:

For the following Project:
(Name, location and detailed description)

AIA Form Docs
no.
N/A

The Architect:
(Name, address and other information)

Name:
Address:
Contract Information:
PTIN:

The Owner and Contractor agree as follows:

ADDITIONS AND DELETIONS:
The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An Additions and Deletions Report that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

State or local law may impose requirements or constraints for some improvements. If this document will be used for Work on the Owner's residence, the Owner should consult local authorities or an attorney to verify requirements applicable to this Agreement.

Sidney M Levy

Aia Document A105 1997:

The Architect's Handbook of Professional Practice American Institute of Architects, 2011-09-26 Architects must be proficient in a variety of business practices to contribute to manage or launch a successful firm They are responsible for the same kind of legal financial marketing management and administrative activities as any other professional Within these broad categories however there are many details including professional standards and documents that are unique to the profession of architecture *Standards of Practice in Construction Specifying* Dennis J. Hall, Nina M. Giglio, 2013-05-22 Construction Specifications provide critical information necessary to convey the design intent of the Architect and the legally enforceable contract requirements Many factors must be considered by the Architect in the development of written construction documents including project delivery method project ownership sustainability and code requirements This companion guide to the 2013 AIA National Convention Presentation Architect's Guide to Construction Specifications provides excerpts from important industry publications regarding the preparation of construction documents Material was carefully selected from the following books CSI Construction Specifications Practice Guide Architect's Guide to the US National CAD Standard CSI Construction Contract Administration Practice Guide Architect's Handbook of Professional Practice 14e Additional excerpts have been provided from CSI Formats to provide an overview of organizational standards for Specifications including MasterFormat SectionFormat PageFormat PPDFormat Added material includes examples for comment document types which can also be used as templates Outline Specification Short Form Specification Certification and Seals Page and Addendum This e only book is an essential companion to the presentation or can stand alone as a necessary reference providing users ready access to key understanding of the methods of specifying organizing structures for building information and other components that should be considered in the preparation of a project manual **The Architecture Student's Handbook of Professional Practice** American Institute of Architects, 2011-09-26 Written by The American Institute of Architects this is the definitive textbook on practice issues written specifically for architecture students Specifically written for emerging architects this is the first unabbreviated guide specifically for architecture students about to begin their careers It is required reading in a professional practice course that architecture students must take within their final two years of school **The American Institute of Architects Official Guide to the 2007 AIA Contract Documents** American Institute of Architects, 2009-03-23 No other contracts are more widely used in the construction industry than the American Institute of Architects standard forms The American Institute of Architects Official Guide to the 2007 AIA Contract Documents offers unparalleled insight into the AIA's extensive portfolio of contract documents helping the reader understand the forms and how to implement them This guide is divided into two parts Part One The AIA Standard Documents examines the role of AIA Contract Documents their history and how the documents are written and updated It also reviews the educational and supporting resources that are part of the AIA's contract documents program Part Two The

AIA Documents Companion describes agreements in detail including the purpose and rationale for provisions Separate chapters cover the owner contractor contractor subcontractor owner architect and architect consultant agreements The guide concludes with a chapter describing pivotal legal cases that have helped shape and interpret AIA contracts Samples of the most commonly used contracts are in print in the appendix and an accompanying CD ROM has samples of all AIA Contract Documents in PDF format for Mac and PC computers that released in 2007 as well as the Integrated Project Delivery Family of documents that released in 2008 This book is invaluable for construction project owners attorneys contractors subcontractors design professionals and others involved in the procurement management and delivery of building projects It is also recommended for students and young professionals seeking a degree certification or licensure

Handbook of Green Building Design and Construction Sam Kubba, 2016-10-15 Handbook of Green Building Design and Construction LEED BREEAM and Green Globes Second Edition directly addresses the needs of building professionals interested in the evolving principles strategies and concepts of green sustainable design Written in an easy to understand style the book is updated to reflect new standards to LEED In addition readers will find sections that cover the new standards to BREEAM that involve new construction Infrastructure data centers warehouses and existing buildings Provides vital information and penetrating insights into three of the top Green Building Codes and Standards applied Internationally Includes the latest updates for complying with LEED v4 Practices and BREEAM Presents case studies that draws on over 35 years of personal experience from across the world *Construction Process Planning and Management* Sidney M Levy, 2009-09-24 By their very nature construction projects can create seemingly endless opportunities for conflict Written by a best selling author with over 40 years of experiences in the construction and general contracting business Construction Process Planning and Management provides you with the necessary tools to save time and money on your construction project In this book Sid Levy provides valuable advice for avoiding or working through the common problems that are a result of the long term nature of construction projects failure to select a project delivery system appropriate to the project incomplete drawing and specifications unrealistic scheduling poor communication and coordination among participants and inadequate contract administration From project genesis through design development to contractor and contract selection on to construction oversight punch list and successful project close out this book will point out those pitfalls to avoid and offer practical advice at every step along the way Administer the general construction process including solicitation of contractor s qualifications pre qualify bidders comparative analysis of bid packages recommendation for contract award contract document negotiation and documentation of job change orders Provide Project Planning and on site management and coordination of all construction projects Ensure compliance of building construction rules and regulations and collaborate with chief engineers to monitor quality of construction Conduct technical plan review of construction documents and submit written responses identifying required corrections or changes Design implement and oversee Company standards for
