

4. Two objects are dropped from rest from the same height. Object A falls through a distance,  $d_A$  during a time  $t$ , and object B falls through a distance  $d_B$  during a time  $2t$ . If air resistance is negligible, what is the relationship between  $d_A$  and  $d_B$ ?  $N_c = 0$

☒ A)  $d_A = \frac{1}{4}d_B$

C)  $d_A = 4d_B$

B)  $d_A = \frac{1}{2}d_B$

D)  $d_A = 2d_B$

$\Delta y = N_c t + \frac{1}{2} a t^2$

$N_c = 0$

$\Delta y = \frac{1}{2} a t^2$

if the time is doubled ( $2t$ ) then the  $\Delta y$  will be 4x as much since  $t$  is squared in the equation

5. If the sum of the forces acting on a moving object is zero, the object will:

A) slow down and stop.

B) change directions.

☒ C) continue moving with constant velocity.

D) continue moving with uniform acceleration.

$\Sigma F = ma$

$0 = ma \therefore a = 0$

6. The figure shows the velocity versus time curve for a car traveling along a straight line. Which of the following statements is false?

☒ A) No net force acts on the car during interval B.

☒ B) Net forces act on the car during intervals A and C.

☒ C) Opposing forces may be acting on the car during interval C.

☒ D) The magnitude of the net force acting during interval A is less than that during C.

A) Flat means acceleration = 0, so net Force = 0

B) Slope = acceleration. Positive & Negative slope indicates the net Force is non-zero

C) Negative slope indicates negative acceleration. So car would be slowing down.

FALSE D) FALSE - since slope of A is greater than slope of C

About the Test

The Advanced Placement Examination in English Language Composition is geared toward the student who has studied the mechanics of writing and rhetoric at an advanced level and wishes to pursue college credit. Take care not to confuse the AP Examination in English Language Composition with the AP Examination in Literature Composition. The Literature exam focuses on literature and literary criticism while the Language exam deals with writing as a craft. This book is designed to help you prepare for the AP Examination in English Language Composition only.

The AP English Language Composition Exam is divided into two sections.

Section 1: Multiple Choice. 60 minutes accounts for 45% of total score. Five or six reading passages with an average of 10 questions each.

Section 2: Free Response. up to 120 minutes accounts for 55% of total score. Three essay questions. The first section consists of five or six reading passages and sixty multiple choice questions which you will have one hour to complete. Each passage will be followed by an average of ten questions and thereafter the passage will not be referred to again. Do not feel pressured to remember each reading; just digest them one at a time and move on. After reading the passage, you will have approximately one minute to answer each question.

The second section of the AP English Language Composition Exam consists of three essay questions and is divided such that you will have forty minutes to write each essay. Do not expect to be able to go back to an essay after the allotted time has elapsed. Note that each essay has very specific instructions and most have a passage which you will read critically to answer the essay question. Your essays will be scored according to the essay structure, the clarity of your writing, and the extent to which you have answered the question.

Scoring the Exam

The multiple choice section of the exam is scored by crediting each correct answer with one point and deducting one fourth of a point for each incorrect answer. Unanswered questions receive neither a credit nor a deduction. The free response essays are graded by more than 5,000 instructors and professors who gather together each June for a week of non-stop AP essay grading. Each essay booklet is read and scored by four graders. Each grader provides a score for the individual essays. This score is a number on a scale from 0 to 9, 0 being the lowest and 9 the highest. The graders are not aware of each other's scores. When the essays have been graded four times, the scores are averaged, one score for each of the three essays, so that the free response section is composed of three scores. The three essays are weighted equally and the total weight of the free response

section is fifty five percent of the total score The multiple choice section accounts for forty five percent of the total score Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations The following method of scoring along with the corresponding chart will give you an approximation of your score It will not indicate the exact score you would get on the actual AP English Language Composition Exam AP English Literature and Composition Premium, 2024: 8 Practice Tests + Comprehensive Review + Online Practice George Ehrenhaft,2023-07-04 8 full length practice tests with detailed answer explanations online practice with a timed test option and scoring comprehensive review and practice for all topics on the exam expert tips plus Barron s Essential 5 things you need to know Cover AP English Literature and Composition Premium, 2026: Prep Book with 8 Practice Tests + Online Practice Barron's Educational Series,Michael Schanhals,2025-07-01 Test change update The College Board has recently announced a change for the May 2025 exams the AP English Literature and Composition exam will be offered in a digital format only and multiple choice questions will now feature four answer choices instead of five Barron s AP English Literature and Composition Premium 2026 includes in depth content review and practice Written by Experienced Educators Learn from Barron s all content is written and reviewed by AP experts Build your understanding with comprehensive review tailored to the most recent exam Get a leg up with tips strategies and study advice for exam day it s like having a trusted tutor by your side Be Confident on Exam Day Sharpen your test taking skills with 5 full length practice tests in the book including a diagnostic in the updated format plus detailed answer explanations and sample essays Strengthen your knowledge with key advice for answering multiple choice questions and writing a polished essay Reinforce your learning with practice by tackling dozens of sample questions and mini workout exercises that cover all units on the AP English Literature and Composition exam Brush up on the literary terms you should know for test day with a clear and comprehensive glossary Robust Online Practice Practice for the new digital exam with 3 full length practice tests on Barron s Online Learning Hub updated for the test change Simulate the exam experience with a timed test option Deepen your understanding with detailed answer explanations and expert advice Gain confidence with scoring to check your learning progress Going forward this exam will only be offered in a digital format Barron s AP online tests offer a digital experience with a timed test option to get you ready for test day Visit the Barron s Learning Hub for more digital practice Publisher s Note Products purchased from 3rd party sellers are not guaranteed by the publisher for quality authenticity or access to any online entities included with the product
