**Solutions to GET Smart Book for Class 4** Leena Kapoor, Goyal Brothers Prakashan, 2021-01-01 Goyal Brothers Prakashan **Framing Decisions** J. Davidson Frame, 2012-10-15 The economic crisis of 2008 2009 was a transformational event it demonstrated that smart people aren't as smart as they and the public think The crisis arose because a lot of highly educated people in high impact positions political power brokers business leaders and large segments of the general public made a lot of bad decisions despite unprecedented access to data highly sophisticated decision support systems methodological advances in the decision sciences and guidance from highly experienced experts

How could we get things so wrong The answer says J Davidson Frame in Framing Decisions Decision Making That Accounts for Irrationality People and Constraints is that traditional processes do not account for the three critical immeasurable elements highlighted in the book s subtitle irrationality people and constraints Frame argues that decision makers need to move beyond their single minded focus on rational and optimal solutions as preached by the traditional paradigm They must accommodate a decision s social space and address the realities of dissimulation incompetence legacy greed peer pressure and conflict In the final analysis when making decisions of consequence they should focus on people both as individuals and in groups Framing Decisions offers a new approach to decision making that gets decision makers to put people and social context at the heart of the decision process It offers guidance on how to make decisions in a real world filled with real people seeking real solutions to their problems

teacher I follow with the sentiment Try not to make the same mistake twice I do deal in fiction this is apparent to adults I grew up with who read my jaunty witticisms and follow the flawless judgment in my stories that they know for a fact I didn't have at that age Yet because there is a strong circle of love that exists for me I know they will never give my young audience that word to the wise about SaSa      *Study Max* Lawrence J.
