Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry, and online content communities and websites into their classrooms. Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students' content area learning. Author Sharon Kane demonstrates how relevant reading, writing, speaking, listening, and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks.

The NeighborHOOD Individual Protective Guide Kevin Andre White, 2007-11-09 This great book comes at a time when society is most vulnerable when decent policemen hired to protect society are too few and some paid protectors have become participants in criminal activities themselves. Our personal safety is paramount. No longer can we walk the streets in peace, expecting the same behavior in return. The average person must be aware of how prevalent crime is in society today. Therefore, this book will provide in checklist form actions citizens can take to protect themselves. To be direct, failure to take appropriate protective actions may lead to YOU or someone you love becoming the next victim citizens hear about on the six o'clock news or view some years later at a Holocaust museum.
