Devil's Game Carman Cumming, 2010-10-01. The first book length study of one of the Civil War's most outlandish and mysterious characters. Devil's Game traces the amazing career of Charles A Dunham, Civil War spy, forger, journalist and master of dirty tricks. Writing for a variety of New York papers under alternate names, Dunham routinely faked stories, created new identities and later boldly cast himself to play those roles. He achieved his greatest infamy when he was called to testify in Washington concerning Abraham Lincoln's assassination. Many parts of Dunham's career remain shadowy but Cumming offers the first detailed tour of Dunham's convoluted high stakes international deceptions, including his effort to sell Lincoln on plans for a raid to capture Jefferson Davis. Exhaustively researched and unprecedented in depth, this carefully crafted assessment of Dunham's motives, personality and the complex effects of his schemes changes assumptions about covert operations during the Civil War. *Report to the Nation on Crime and Justice*, 1988.
