Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

Blue-Green Rehabilitation Philip Hayward,2025-06-30 In recent decades there has been a burgeoning interest in the development of blue green corridors areas where waterways are complemented by adjoining green spaces and related paths and leisure facilities Urban planners have increasingly favoured such zones as a means of refreshing inner city spaces In many cases such projects have involved the rehabilitation of former industrial and or otherwise polluted waterways and adjacent land These newly configured blue green spaces have benefitted residents and provided a substantial attraction to tourists through in and on the water options e g swimming kayaking fishing cruise boat transit etc waterside relaxation and a range of riverbank activities The establishment of managed green spaces has also seen the return of a variety of native species to such areas and the re presentation of former waterside industrial features as heritage artefacts has also added value and appeal to such corridors The anthology comprises nine international case studies that illustrate examples of best practice and or the problems that can arise from such rehabilitations such as gentrification forcing housing prices up and dispersing established communities and de industrialisation that leads to reduced livelihood opportunities Individual studies in the volume analyse the dynamics of neglect and rehabilitation contrasting stakeholder agendas destination branding and regional national orientations Collectively the volume comprises an important reference point for future blue green rehabilitation projects and the conclusion offers an agenda for the

development of just and sustainable blue green initiatives

Discovery - Urban Fantasy Blurring the Lines Between Conspiracy and Reality Louise McLaughlin, 2025-10-31

The gods, witches, and politicians all enjoy the daily tug of war for control. In a world of constant scheming and manoeuvring, their peaceful world of ruining each other's day was truly disrupted. What if it was all just a distraction, keeping everyone busy until they came back home again? At the urging of her beloved grandmother, Cassie takes an apparently safe and humdrum job in a government office in Glasgow. However, it turns out the conspiracy theorists are right, and there's more to the civil service than box ticking and inscrutable acronyms. When Cassie is drawn into a plot involving alien invaders, unscrupulous billionaires, and the highest levels of government, she also discovers that living in her home city are a group of semi-retired gods, witches, and supernatural beings hidden in plain sight. As Cassie's true power becomes apparent, she becomes a vital ally against the forces that want to rid the world of gods and humans alike. They have only 10 days to save the human race and themselves.

Reader reviews: 5 Star. A Bold and Brilliant Urban Fantasy That's Equal Parts Witty, Weird, and Wonderfully Relevant. If you enjoy books that mix mythology with modernity, conspiracy with comedy, and action with actual insight, *Discovery* is an absolute must-read. It's Douglas Adams meets Neil Gaiman with a dash of Ben Aaronovitch. Highly recommended for fans of urban fantasy who want more than just magic and monsters. This one lingers long after the last page. 5 Star. This is one of those books that immediately made me sit up and think, "Why haven't I read anything like this before?" *Discovery* is sharp, sly, and packed with original ideas that explode off the page. 5 Star. *Discovery* is one of those rare books that defies easy categorization, and that's exactly what makes it so addictive. It's urban fantasy, yes, but it's also political satire, mythological thriller, sci-fi adventure, and something else entirely. The comparison to *Good Omens* is earned, but I'd also say fans of *The City*, *The City*, or *American Gods* will find something to love here. 5 Star. A brilliantly original urban fantasy. *Discovery* blends government satire, supernatural lore, and alien conspiracies with clever writing and a pitch-perfect sense of humor. Cassie is a relatable and quietly powerful heroine thrust into a surreal world where gods, witches, and civil servants collide. Feels like *Good Omens* met *Yes Minister* in a Glasgow pub. Smart, funny, and refreshingly bold. Customers say: Customers enjoy this urban fantasy book for its clever blend of conspiracy theories and supernatural elements, with one review noting how well the characters and plot work together. Customers find the book entertaining, with one mentioning it keeps readers hooked until the end and appreciate its satirical humor. The story receives positive feedback for its suspenseful narrative, with one customer highlighting its strong start to the series.
