Mosby's Massage Therapy Review - E-Book Sandy Fritz,2009-06-16 No other massage review book offers such complete exam preparation Written by massage therapy expert Sandy Fritz this preparation

tool offers more review content and questions than any other massage certification review. It gives you the practice and study tools you need for the NCE and MPLEx certification exams, state exams, and even mid term or final exams. With complete coverage of the information you need to know to study more effectively and take tests more successfully, it helps you memorize terms, definitions, and key facts, all with an emphasis on critical thinking skills, a key part of any licensure or certification exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,300 review questions include the two types of questions on the NCE: factual recall and comprehension. Content review includes a detailed review of body systems and their applications to massage. A new five step review process lets you identify areas that need more attention as you study and prepare. Tips for studying and test taking, what to memorize, how to apply concepts, and think critically help you hone test taking skills better than ever before. A full color design features 100 new illustrations showing massage techniques and Anatomy Physiology.

The Medical profession Walter Rivington, 1879

Mosby's® Massage Therapy Exam Review - E-Book Sandy Fritz, Luke Allen Fritz, 2023-09-11

Written by massage therapy experts Sandy Fritz and Luke Fritz, this unique review resource uses a variety of methods to help you prepare for the MBLEx Massage and Bodywork Licensing Exam and the Board Certification in Therapeutic Massage and Bodywork (BCTMB). The comprehensive review features updated content and questions based on the most current exam blueprints. The practice exams are written in a five part process, not just as sample questions. Plus, a companion Evolve website comes loaded with practice exams and a variety of review activities such as labeling exercises, flashcards, electronic coloring book, games, and much more. No other massage review gives you such well rounded exam preparation. Focused content review including 125 full color illustrations showing various massage techniques, as well as anatomy physiology, 1800 practice questions, 500 new questions in the text that provide students the opportunity to assess readiness for exams, 5 practice exams with 100 questions each will be available in text as well as on Evolve. Over 40 labeling exercises to help kinesthetic learners retain information. Rationales for all correct and incorrect responses. NEW! More than 1,400 questions in a mock exam are based on the MBLEx blueprint. EXPANDED and UPDATED! Content matches the current MBLEx blueprint to prepare you for success. NEW! Scenario based multiple choice questions are based on the MBLEx content blueprint. NEW! 100 questions in a graded practice exam.
