Biblical Discipleship Study Guide: Essential Components for Attaining

Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a stand alone book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. *Don't Make Me Count to Three Study Guide* Ginger Hubbard, 2012-06-08 Dive deeper into God's Word with this six week study guide designed to strengthen understanding of heart oriented discipline from a biblical perspective. Reflection on Scripture offers us encouragement and breaks the crippling strongholds of our self dependent way of parenting. As Ginger introduces each lesson, she guides moms in the practical application of Christ centered parenting and reminds us that our efforts are only brought to fruition by God's grace. The lessons taken from *Don't Make Me Count to Three* are a guide for group Bible study, practical application of Scripture for parenting, heart probing questions for personal growth, and focused memorization.

BIBLE STUDY GUIDE: SCRIBE OF CHRIST, 2023-01-07 This book was written in 1990 which served as a study book for new converts in an evangelical church. Then between 1994 and 1998 I wrote about 30 books in which I taught theology. I don't claim to be the owner of the truth; I just try to find the answer to the most common questions of the human mind. From 2015 to 2023 I dedicated my life to writing intensely, publishing over 200 books in Portuguese here in Brazil. It's been more than 30 years of writing, mainly on topics related to the Bible, but I confess that this book was my first and still remains my masterpiece. It contains the dogmas of Christianity and a manual of sanctified life for Christians around the world. This book contains more than 1800 biblical references. For the volume of the book, it was a feat; it is the best systematic theology book in which I could synthesize all the points of the Christian faith. Arguably the best summary of Christianity.
