

1 AND 2 PETER BIBLE STUDY

2 Peter Biblical Word By Word Study

John MacArthur

2 Peter Biblical Word By Word Study:

Engaging God's Word Community Bible Study, 2012-06 The apostle Peter is a prime example of a transformed life the simple fisherman who denied Christ three times became a bold preacher and a great leader of the church In this 12 lesson in depth study of 1 and 2 Peter you will engage with the wisdom of a man who knew Jesus and truly learned to trust and obey God Engage Bible Studies connect you with the enduring truth of God's Word Come out of the clutter and clanging of our culture and discover the peace of meeting the God of the Bible in the pages of His Word Engage Bible Studies take you verse by verse into the richness of the Scriptures in ways that impact your heart and illumine your mind You won't find dry doctrinal debates You will find simple tools that cultivate your understanding and engage your heart Tools for transformation You also will learn how to apply God's Word in your everyday life You are beginning an incredible journey **1 & 2 Peter and Jude MacArthur New Testament Commentary Set** John MacArthur, 2005-10-01 This package includes the complete two volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways In 1 Peter MacArthur demonstrates how this letter written to persecuted believers scattered throughout Asia Minor speaks to faithful Christians suffering today Even when believers face trials and adversity they can rest in their salvation live out their testimony and look forward to Jesus return In 2 Peter Jude both letters address the need to combat false teaching and to strengthen believers in the truth In a day when sound doctrine is devalued MacArthur's analysis of these warnings has never been more needed **A Study of Petrine Christology from Key Texts in 2 Peter** Kelly Adair Seely, 2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst Ksemann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like Ksemann Ksemann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he/she is faced with a beautiful portrayal of Jesus and the Father **2 Peter & Jude** The Navigators, 2018-04-03 Over 3 million LifeChange studies sold Persecution from the Outside Dangers from Within The early church had faced persecution from outside the community Now they were defending themselves from dangers within

Internal differences were not uncommon but these churches were facing teachers who distorted the gospel for their own gain Peter and Jude denounce these for profit teachers and encourage Christ followers to stand firm in the faith secure in the promise that Jesus will someday return LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life changing encounter with God s Word Filled with a wealth of ideas for going deeper so you can return to this study again and again Features Cover the books of 2 Peter Jude in 9 lessons Equip yourself to lead a Bible study Imagine the Bible s historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have **2 Peter and Jude** Dietrich Gruen, Navigators (Religious organization), 1997 LIFECHANGE Bible studies allow the Bible to speak for itself You ll see for yourself what it says not what someone else thinks it says and develop the skills and desire to dig even deeper into God s Word *2 Peter and Jude* Dieudonné Tamfu, 2018-08-31 Shorter books in the Bible like 2 Peter and Jude are often overlooked by believers as they flick through pages of Scripture Furthermore because these two books deal with the unpopular theme of God s judgement they end up being further neglected in the believer s life and understanding of Scripture Yet the evils these authors speak about are still very much present in the church in Africa and are no less deserving of judgment today But these books also bear glorious testimony to God s power to preserve his people and encourage us to stay steadfast and conform to the pattern of holiness in which we have been rooted The landmark Africa Bible Commentary compiled the scholarship of seventy African scholars in one volume Now the Africa Bible Commentary Series provides deeper insights into each biblical book explaining the meaning of Scripture in smaller separate volumes The series emphasizes the relevance of biblical concepts for the life of the local church and the case studies and African illustrations accomplish this in ways that mere explanations cannot In addition each commentary is divided into sermon units for easy use in developing a preaching series on the biblical books and includes discussion questions to assist further study **Wuest's Word Studies from the Greek New Testament** Kenneth Samuel Wuest, 1973 A wealth of information on most of the Greek New Testament all in non technical language This reader s companion series clarifies many of the English words that do not fully capture the meaning of original Greek words Includes topical word and devotional studies book studies on most of Paul s epistles and Wuest s New Testament An Expanded Translation Wuest used interpretative material based on the Greek text some original with the author and some selected from other Greek authorities such as Marvin Vincent and Henry Barclay Swete The order of the Greek words has been preserved as much as possible so the reader may see where the Greek places the emphasis Polished diction has been sacrificed in the in interest of clarity and a closer adherence to the style and force of the Greek text **Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages

commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
