„Entscheidungen“ (Hilfsregeln):

Abstract

Specialized programs will be the responsibility of the local agencies, although the state will have a coordinated role. Agencies must identify existing agencies, develop coordination of their work, create liaison committees, and assign responsibility for each program area. The state will provide the training and technical assistance that is needed to develop the programs. The Department will also conduct the initial training for the community agencies. The Department will also conduct the initial training for the community agencies. The Department will also conduct the initial training for the community agencies.
