Karen Blixen's Existentialism Lars Kaaber, 2023-10-11 This book investigates the writings of Karen Blixen Isak Dinesen from an existentialist angle Although it has not been subject to much study Blixen's writing elegantly and subtly integrates the ideas of Kierkegaard Nietzsche and Sartre in a way that makes the philosophers more accessible to a wider audience However Blixen also offers her own ideas of the fundamental problem in existentialism how to arrive at an authentic identity through free individual choices or as Nietzsche put it how to become who you are On the whole Blixen's authorship can be seen as an existential study of the 20th century and the ways by which Western culture came to be what it is now In agreement with Nietzsche's statement that all philosophy is an involuntary autobiography this book also contains accounts of the lives of the three philosophers chiefly involved in this study
