kept hidden from the public after the murders He takes on those who say that rock music or video games caused Klebold and Harris to kill their classmates and explores what it might have been that pushed these two young men from supposedly stable families to harbor such violent and apocalyptic dreams Shocking as well as inspirational and insightful No Easy Answers is an authentic wake up call for all the psychologists authorities parents and law enforcement personnel who have attempted to understand the murders at Columbine High School As the title suggests the book offers no easy answers but instead presents the unvarnished facts about growing up as an alienated teenager in America today This edition contains a new afterword that describes what the two authors have experienced and learned about Columbine since the publication of the book
