You Shall Tell Your Children Liora Gubkin,2007-11-05 Passover is among the most widely observed holidays for American Jews. During this festival of redemption Jewish families retell the biblical story of Exodus using a ritual book known as a haggadah often weaving modern tales of oppression through the biblical narrative. References to the Holocaust are some of the most common additions to contemporary haggadot. However the parallel between ancient and modern oppression which seems obvious to some raises troubling questions for many others. Is it possible to find any redemptive meaning in the Nazi genocide? Are we adding value to this unforgivable moment in history? Liora Gubkin critiques commemorations that violate memory by erasing the value of everyday life that was lost and collapse the diversity of responses both during the Shoah and afterward. She recounts oral testimonies from Holocaust survivors cites references to the holiday in popular American culture and analyzes examples of actual haggadot. Ultimately Gubkin concludes that it is possible and important to make a space for Holocaust commemoration.
