is among a rising generation of the children of evangelicalism who are growing up and fleeing the fold who are thinking for themselves and deconstructing what feel like the alternative facts of their childhood Rigorously reported and deeply personal The Exvangelicals is the story of the people who make up this generational tipping point including Sarah herself Part memoir part investigative journalism this is the first definitive book that names and describes the post evangelical movement identifying its origins telling the stories of its members and examining its vast cultural social and political impact **Junior Graphic** Mavis Kitcher (Mrs),2002-11-27 *Daily Graphic* Ransford Tetteh,2008-12-20 **The Mirror** E.N.O.
