New Developments in

Diagnosing, Assessing, and Treating ADHD Gopalan, Rejani Thudalikunnil, 2020-08-14 It seems as though each day more children are diagnosed with attention deficit hyperactivity disorder ADHD ADHD causes challenges not only for the patient but also for their parents siblings teachers and other significant people in their lives They have an increased vulnerability to addiction and crime Controversially stimulants are the primary choice for treatment of ADHD in medical management and the side effects of this long term pharmacological management has raised many questions Psychosocial management including parent training behavior therapy and educational inputs are also major components of treatment and should not be ignored Thus it is vital to explore the latest best practices for the diagnosis assessment and management of ADHD New Developments in Diagnosing Assessing and Treating ADHD is a collection of research on innovations in the management of ADHD While highlighting topics including adolescent care neurological disorders and mental health this book is ideally designed for academicians clinicians especially psychiatrists clinical psychologists and pediatricians social workers psychiatric nurses rehabilitation centers researchers and students interested in the handling of this disorder and the long term effects and social risk factors associated with treatment

Handbook of Research on Creating Spaces for African

Epistemologies in the Inclusive Education Discourse Maguvhe, Mbulaheni Obert, Masuku, Mfundo Mandla, 2021-12-31 Students with disabilities who are not able to perform to the best of their abilities often find themselves learning in inaccessible environments and subjected to increased stress levels due to the haphazard provisioning of education

characterized by physical communicative and unsuitable teaching and learning approaches Very often this is a result of various shortcomings including unfair assessment practices Misconceptions and a lack of knowledge with regard to the implementation of inclusive education detract from the successful admission of students with disabilities and their retention and active participation The Handbook of Research on Creating Spaces for African Epistemologies in the Inclusive Education Discourse explores the concept of inclusive education in an African context It advocates for the monitoring and evaluation of inclusive education and proposes interventions where reasonable accommodation or lack of accessibility is a reason for students with disabilities to not benefit from this system Covering topics such as barriers to learning rural schools and student support this major reference work is an essential resource for administrators advocates for students with disabilities policymakers researchers pre service teachers educators academicians and students
