Aladdin Seires Episode Guide:

An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year. Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories. The author acknowledges the show was full of dramatic clichés and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama, Lorne Greene, and ace warrior Captain Apollo. Richard Hatch. The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences. The brilliant work of artist John Dykstra brought a new world of special effects to network television. Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama. Internet Children's Television Series, 1997-2015 Vincent

Terrace, 2016-08-22 Created around the world and available only on the web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI live action comedies, and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists, and storylines. **TV Guide**, 2000

Hercules Robert Weisbrot, 2004-10-08 This book is a follow up to the author's successful first book on the show. In this he writes about the final three seasons. The author's passionate introspection contains cast profiles and commentary from the stars on each episode.
