

Animal Book Report

Criteria/Checklist

Due: Wednesday, March 15, 2107

Project Goal: Students will be able to create an informative lapbook about an animal they choose to research. Students will be able to demonstrate their understanding by presenting their project in class.

Common Core State Standards:

Science- 2.LS2-3(MA): Develop and use models to compare how plants and animals depend on their surroundings and other living things to meet their needs in the places they live.

ELA- W.2.2: Write informative/explanatory texts in which they introduce a topic, use facts and definitions to develop points, and provide a concluding statement or section.

ELA- W.2.7: Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).

ELA- SL.2.2: Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.

First Steps:

- 1.) Choose an animal you would like to study
- 2.) Use resources to learn about the animal (don't forget to record the names of the resources you use)

You will need:

- Standard size manila file folder (provided by teachers)
- Templates to write the information on (provided by teachers)
- At least 2 different books or other resources to learn about the animal you choose to research.
You must use one book and one additional resource of your choice (ex. Newspaper, magazine, article from the internet)

Helpful Hints:

- There will be an example of the project available for everyone to view on our Grade 2 website <http://kes.sired.org/class/grade-2>
- Preview everything you will have to include in your lapbook **before** you research.
- Take notes while you are researching.

Your animal project should include...

- _____ your full name.
 - _____ your manila folder folded into a lapbook.
 - _____ all of the information pieces pasted onto the lapbook using **glue**.

Investigating Animal Abuse Crime Scenes Virginia M. Maxwell,Martha Smith-Blackmore,2023-07-18 Animal abuse is well established as a gateway crime linked to other forms of antisocial behaviors and broader criminal violence Increased awareness of the link between animal abuse and criminal behavior has led many states to mandate cross reporting between agencies overseeing the welfare of families and of animals Investigating Animal Abuse Crime Scenes A Field Guide is designed for first responders such as animal control officers and police officers as well as forensic scientists and other criminal justice professionals who are tasked with processing and analyzing animal crime scenes and evidence The book serves equally as a useful resource for those in the field and laboratory in addition to those professionals who are further along in the investigative and judicial process The book addresses the key areas that must be considered in a thorough investigation of an animal abuse crime This starts with general crime scene procedures that include securing and releasing the scene search and seizure issues chain of custody documentation searching for evidence and the use of enhancement technologies While many readers may already be familiar with such concepts they are addressed in the context of unique factors relating to animals and animal abuse cases The book then addresses the recognition collection and preservation of different types of evidence that may be located at animal abuse scenes with examples of the most important evidence for specific case types The critical role of the veterinarian and the key aspects of veterinary forensic medicine receives in depth consideration This includes issues such as examining animal victims of crime determining cause of injury or death through the forensic clinical exam or necropsy and techniques for evidence documentation collection and preservation The physical and emotional abuse of animals is outlined throughout a series of chapters focused on specific types of animal abuse Finally report writing and testimony from the perspectives of both the

crime scene investigator and forensic veterinarian are addressed Further three appendices provide useful checklists and templates for all animal abuse crime scene responders and veterinarians Investigating Animal Abuse Crime Scenes fills the growing need for a handy comprehensive field reference that specifically focuses on the crime scene processing investigation analysis of evidence and the subsequent adjudication of animal abuse cases within the court system
