The Peace Village Michelle Levigne,2024-10-13 Rescuing K reeth from her kidnappers brought an epic storm down on their enemies but common sense said the Dominators were far from defeated Taron and K reeth had dreamed of a world where Ayanlak and Na huma colonists could live together in peace and acceptance Now that she was pregnant they needed to make that world a reality and soon or their child of two races might never be born Admiral Dorwen had a dream of a peace village where both groups of galactic refugees could learn from each other and learn to share their world which the Ayanlak had named Storm Shelter and the Na huma colonists had named Refuge As fall turned to winter volunteers gathered and shared ideas and traveled to the T bredi enclave where they would be safe from their enemies to prepare to start building in the spring Touching while meeting together in the Dream Plain had always been forbidden and the storm created when Taron rescued K reeth illustrated exactly why But that discovery sparked curiosity and K rin and other scholars delved into the archives to learn more about the Dream Plain who had learned how to use it and what else they could do in the realm of the mind If people could travel wide distances through the Dream Plain granted with devastating consequences what else could travel through it The discovery of ancient treasures stored in the Dream Plain unchanged by the centuries opened doors of speculation and possibilities and a chance to delve the secrets of the ancestors *Lorien* Michelle
