Miller,2025-03-17 This is a slow burn sapphic thriller that builds to a deliciously steamy romance between two lesbian protagonists who awaken their inner strength and rise together to confront and outwit their enemies When the long vacant apartment across the cobblestone path is suddenly occupied by a sexy and sophisticated woman in a perfectly tailored suit Chloe is instantly intrigued Her new neighbor Ezek exudes an air of mystery going out of her way to avoid Chloe s gaze But curiosity soon turns into obsession and Chloe cannot resist watching her aloof neighbor Chloe doesn t know that Ezek is no ordinary tenant she s a spy sent to protect Chloe from her grandfather s unstable and dangerously jealous colleagues As secretive gestures and fleeting moments of connection spark a slow burning romance their growing bond catches the wrong kind of attention With twists and turns at every corner steamy encounters and danger building to a boiling point this story will capture your heart electrify your senses and uplift your soul Women, Violence and Postmillennial Romance Fiction Emma Roche,2023-04-21 This book interrogates the significance of the revival and reformulation of the romance genre in the postmillennial period Emma Roche examines how six popular novels published between 2005 and 2015 *Twilight* *Fifty Shades of Grey* *Gone Girl* *Sharp Objects* and *The Girl on the Train* reanimate and modify recognisable tropes from the romance genre to reflect a neoliberal and postfeminist cultural climate As such Roche argues these novels function as crucial spaces for interrogating and challenging those contemporary gender ideologies Throughout the book Roche addresses and critiques several key attributes of neoliberal postfeminism including a pervasive emphasis on individualism and personal responsibility an insistent requirement for self monitoring self surveillance and bodywork the celebration of consumerism and its associated pleasures the prescription of mandatory optimism and suppressing one s negative emotions and the endorsement of choice as a primary marker of women s empowerment While much critical attention has been devoted to those attributes and their pernicious effects Roche argues that one crucial repercussion has been largely overlooked in contemporary cultural criticism how these ideologies function together to effectively sanction gender based violence Thus Roche exploits textual analysis to demonstrate the subtle ways in which neoliberal postfeminism can augment women s vulnerability to male violence Promises in the Dark Karen Wiesner,2016-11-07 William Decker an orphan who grew up without warmth or companionship from those around him had been a loner all his life preferring solitude loneliness and dark corners to friends anything resembling a spotlight and even love When he met Roxanne Hart his first and only year of college he d found a center he d unconsciously looked for all his life

Though Rox loved him deeply as a friend she was in love with another man and he d never really had a shot there despite his relentless loyalty When she announces her wedding William knows it s long past time for him to stop wishing for the moon but more than that he realizes for the first time that he d set his heart on an unavailable woman purposely He s lived his life on the principle of Better to not love and lose what you never had to begin with and You can t be hurt by anything you haven t invested yourself in and he can t deny it s done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens But starting out life with a newborn and parents who refused to understand why she couldn t forgive her cheating husband even once she d taken the only job she d been able to get as a waitress and later a bartender at a rough biker joint in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn t a man alive worth any loyalty The dudes who come through the bar have no respect for let alone interest in anything that isn t transitory with the women around them William Decker is the one exception to the rule she s observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he ll break without regret by morning light
