Princess Renie, one of the beautiful and strong daughters of Lyra, loves nothing more than exploring space with her twin brother Rezic, but when they venture too close to the Black Zone, the barrier between Vegan space and the rest of the galaxy, things turn from exploration to a fight for their lives. With Rezic injured in a meteorite shower, Renie has no choice but to accept help from a vessel within the Black Zone, even when it turns out to be Vegan. Separated from her brother and taken hostage to be held for ransom, Renie isn't sure what she's going to do. Until she meets a man in the cells, the most unusual and gorgeous male she has ever seen, a man who seems to be willing to do anything to protect her and makes her pulse race. Tres isn't enjoying his stay in the cells. The commander has broken his thermal suit, leaving him cold and weak, and his last chance of leaving the Black Zone has been thwarted. But the galaxy comes to him instead, and she's more beautiful, warm, and full of feeling than he'd ever dreamed. When he discovers her and her brother's plight, he vows to help her if she'll help him, and when she touches him, showing him warmth, he wonders how touch can be so forbidden and realises that he'll do anything for her. When Renie is injured during their escape and Tres is forced to stay behind so Rezic can leave with her, will she ever see him again? Will she be able to convince her father, General Lyra II, to go back into the Black Zone and rescue the man she's fallen in love with? And will she still love Tres when she realises just who he is?
