Abc Parenting Guide To Behavior Management

Martin Herbert, Jenny Wookey

Abc Parenting Guide To Behavior Management:

Managing Children's Disruptive Behaviour Martin Herbert, Jenny Wookey, 2004-04-21 Managing Children's Disruptive Behavior is a comprehensive guide designed for professionals and parents who care for children whose behavior problems are beyond those encountered normally. Arranged in three parts, the book opens by setting out the theoretical background to conduct disorders in a range of settings. Part Two discusses issues in assessment and treatment and explains the background to the Child Wise programs devised by the authors. Four versions of the Child Wise program follow, complete with useful materials for evaluation and homework purposes. This flexible set of resources has been designed for use with children aged between 2 and 10 years and includes versions for use in group settings at home, in the classroom with typical and special needs children. Devised for use by a wide range of professionals, the programmes reduce fraught interactions and restore mutually enjoyable relationships between the carer/parent and the child. There are also further resources available to download from a supporting website. Managing Children's Disruptive Behaviour is an invaluable tool for psychologists, health visitors, social workers, teachers, and all those whose work involves children and their carers. **Resources in Education**, 2001

The ABC's of Classroom Management Pamela A. Kramer Ertel, Madeline Kovarik, 2013-11-26 Co-published with Kappa Delta Pi. *The ABC's of Classroom Management* equips teachers with a repertoire of expert strategies to develop classroom expectations and manage student behaviors. The second edition of this practical alphabetical guide includes expansions on time-honored topics such as relationship building, communication, discipline, and behavior management, with the addition of new topics such as cyberbullying, violence prevention, social media, and substitute teachers. The newest quick reference to managing a classroom offers tried and true tips and specific examples of practical applications in the classroom. Educators who purchase the second edition also can access ABC's Online to find downloadable forms, samples, and checklists and links to related resources. This edition of *The ABC's of Classroom Management* gives future and new educators practical and informative tips and tools for managing their classrooms to apply right away so they can focus on student learning. Underlying the nuts and bolts entries of the book are the themes of teacher professionalism, leadership, and empowerment. Armed with a proactive attitude and the right tools that are applied purposefully and consistently, novice teachers develop their craft to become masterful educators. **The ABC's of Classroom Management** Pamela A.
