Akira Intercom Manual:

The Choice Within Stephanie Woodman, Save Kill Live Die How much do I give 1944 and war rages in the Pacific Two young recruits from opposing sides destined to cross paths without ever meeting changing their lives forever Honolulu Dedicated nurse Lieutenant Jeannette Crawford has been working tirelessly with dedication and wisdom beyond her years to help wounded US servicemen on home soil face their greatest enemy time Wanting to do more she volunteers to serve on a hospital ship hoping to save the men she treats and worrying about the man she loves But nothing can prepare her for the horrors she now faces on the front lines of the Pacific islands Tokyo Akira Tanaka is conscripted to serve his country He does so with determination to honor his family and the country he loves Initially motivated in his fighter plane training he soon discovers that the news being shared with the people of Japan is a lie the Combined Fleet is losing badly and their European allies crumbling As the ferocity of fighting intensifies and the reality of combat hits home nurse and pilot experience very different wars in striking parallel But when the Americans close in on the Japanese home islands and the emperor's forces become increasingly desperate in their tactics the true horrifying heartbreak of Jeannette and Akira's shared destiny becomes clearer drawing closer The Choice Within is a story of two people opposite in many ways yet share an idealism love of life and the same questions who is the real enemy and how much do I give This heartrending fiction weaves historical events into a rich poignant tale of love duty sacrifice and questions never asked until the end *La Xarxa Internet I*
