

Who Owns/Manages Alaska?

limited to less than 10% the age of the conference, all cases

Business leaders agreed to relocate in the new 11-story and 100,000-sq-ft building, which will house the company's headquarters, its 10 divisions, 100 product groups, and 1,000 employees. The company is leasing the space from the federal government. In addition to the new building, the federal government owns the 10-story, 100,000-sq-ft building that houses the company's regional offices. The company is leasing the space from the federal government.
