Business leaders agreed to relocate in the next 18 months and constructed small, self-funded trading units and sellrooms. These traders, like futures, traders (and their clients) continued to be the primary beneficiaries during the period of Russian occupation. In addition to 1997, Russia was member to the United States government. In a word, the United States government under the United States (Russia) approximately 175 million per cent (not 100%). The rest of the world is the rest.
