Albert Schweitzer Et L'histoire Du Gabon:

Albert Schweitzer Et L'histoire Du Gabon Elloue-Engoune, 2011 *Albert Schweitzer et l'histoire du Gabon* Alain Elloue-Engoune, 2011-09-01 L'exil de Schweitzer Lambar n répond l'appel du Christ Cet appel est l'appel la bonne nouvelle du Royaume Schweitzer découvre ainsi la grâce qui lui est faite Celle de servir dans les lointains c'est la source de la transformation de sa vie Tous ses actes prennent un sens nouveau Cette grâce conduit chez Schweitzer une affirmation éthique du monde et de la vie et elle nous conduit la découverte des qualités qui permettent aux autres de nous traiter comme leurs semblables **Historical Dictionary of Gabon** Douglas A. Yates, 2017-12-28 This new fourth edition of the Historical Dictionary of Gabon brings up to date the political affairs of the country since the accession to power of Ali Bongo eldest son of Omar Bongo the former president for life who died in 2009 after the publication of the third edition Themes of continuity and change are present throughout the entries not only as the Bongo family continues its half century of dynastic rule there are a dozen Bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former French colony after independence continues to collaborate with the French African sphere of influence yet seeks new partners from America and Asia China Singapore and as the country's numerous ethnic groups perpetuate a multicultural mosaic that is nevertheless threatened by globalization of communications and cultural convergence This fourth edition of Historical Dictionary of Gabon contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Gabon **Decolonising Imperial Heroes** Max Jones, Berny Sèbe, Bertrand Taithe, Peter Yeandle, 2017-10-02 The heroes of the British and French empires stood at the vanguard of the vibrant cultures of imperialism that emerged in Europe in the second half of the nineteenth century Their stories are well known Scholars have tended to assume that figures such as Livingstone and Gordon or Marchand and Brazza vanished rapidly at the end of empire Yet imperial heroes did not disappear after 1945 as British and French flags were lowered around the world On the contrary their reputations underwent a variety of metamorphoses in both the former metropolises and the former colonies This book develops a framework to understand the complex legacies of decolonisation both political and cultural through the case study of imperial heroes We demonstrate that the decolonisation of imperial heroes was a much more complex and protracted process than the political retreat from empire and that it is still an ongoing phenomenon even half a century after the world has ceased to be painted in red Whilst *Decolonising Imperial Heroes* explores the appeal of the explorers humanitarians and missionaries whose stories could be told without reference to violence against colonized peoples it also analyses the persistence of imperial heroes as sites of political dispute in the former metropolises Demonstrating that the work of remembrance was increasingly carried out by diverse fragmented groups of non

state actors in a process we call the privatisation of heroes the book reveals the surprising rejuvenation of imperial heroes in former colonies both in nation building narratives and as heritage sites This book was originally published as a special issue of the Journal of Imperial and Commonwealth History Chroniques du Gabon Julien Fortin, 2009 **Un destin, ma vie** Georges Martinot, 2016-12-05 Nous sommes dans le crepuscule du monde qui nous a vus naître et vivre et qui va sans doute s'effacer cause de nos excès et de nos errements L'heure de la finitude approchant nous prouvons le besoin de rechercher dans le passé les causalités profondes de nos comportements face aux pressions introduites par de grands événements incidences mondiales Il semble ainsi logique d'attribuer par analogie ces mêmes causes aux réactions des peuples qui les ont subies dans des conditions analogues aux vôtres et donc de mieux les comprendre Comment appréhender notre passé et envisager notre avenir S'attachant sensibiliser chacun son rôle d'acteur de son destin et aussi de l'Histoire cet essai est un voyage travers le temps peuple de souvenirs de rencontres de regards sur le monde et les époques de réflexions géopolitiques et économiques De la Seconde Guerre mondiale au défi néergique du XXI^e siècle en passant par l'immigration et l'éducation l'auteur nous tend les clefs pour mieux comprendre notre monde Albert Schweitzer, une icône africaine Augustin Emame, 2013-03-06 En avril 1913 Albert Schweitzer 1875-1965 débarquait au Gabon la mission protestante de Lambaréné En Europe il est aujourd'hui quasiment oublié on l'associe encore parfois son prix Nobel de la paix obtenu en 1952 et l'hôpital qu'il créa à Lambaréné Son image de bonhomme déclin blanc paternaliste portant le casque colonial a contribué à clipser presque totalement Derrière l'argument selon lequel il n'y aurait plus rien dire sur Schweitzer se dessine un trait de pensée caractéristique de l'Occident qui croit une histoire inventée et n' imagine pas combien il n'est pas seul détenteur de la mémoire Considérer que tout a été dit sur Schweitzer c'est se complaire dans cette posture qui voulait l'époque coloniale que la parole des colonisés n'ait aucune valeur Il est temps d'entendre la version africaine de la rencontre entre l'Européen et l'Africain Ce livre est le fruit de conversations et d'échanges qu'a eus pendant huit ans Augustin Emame avec une soixantaine de personnes qui ont tenu soignées l'hôpital Schweitzer où y ont accompagné des malades travers eux on accède aux croyances et aux constructions imaginaires des populations gabonaises le succès de Schweitzer est certes dû au fait qu'il a correspondu aux images endogènes du guérisseur mais il doit beaucoup au fait qu'il était un homme au service d'autres hommes Albert Schweitzer Angela Berlis, Hubert Steinke, Fritz von Gunten, Andreas Wagner, 2013 Im Jahr 2013 jährt sich Albert Schweitzers Gründung des Spitals in Lambarene zum hundertsten Mal ein guter Grund sich dem Schaffen der Person und der Rezeption Albert Schweitzers zu widmen Die Beiträge beleuchten seine theologischen philosophischen und ethischen Konzepte aus heutiger Perspektive Schweitzers vielfältiges praktisches Wirken begegnet uns in Beiträgen aus dem Bereich der Medizingeschichte der Musikologie und der Politologie Albert Schweitzers Nachwirken als Megapromi des 20. Jahrhunderts und Supergutmensch wird in unterschiedlichen Beiträgen thematisiert sein Auftreten und Nachwirken in Medien und Filmen der Populärkultur seine Rolle als Vorbild und Bervater in Pädagogik und Erziehung und deren Demontage sein Verständnis von Hilfe und seine

Bedeutung für das heutige Albert Schweitzer Spital in Lambarene Die historischen und wechselvollen politischen Zeitumstände in denen die Familie Schweitzer lebte werden erhellt in einem Beitrag von Helene Schweitzer Bresslau und ihr Leben für Lambarene , **Culture, Ecology, and Politics in Gabon's Rainforest** Michael Charles Reed, James Franklin Barnes, 2003 This edited work by Dr Reed and Dr Barnes is a strong collection of essays on Gabon from leading scholars of the region and is a collection that truly lives up to its professed goal of presenting interdisciplinary approaches Contemporary politics AIDS and Ebola environmental policies food production crises and the history of pre colonial Gabon are among the wide variety of subjects covered with clarity The work is also an indispensable guide for those who wish to learn more about Gabon a country that has attracted relatively little interest in Anglophone circles
