
Alberta Security Practise Exam Question and answers 100% correct 2023

False - correct answer Only security professionals working in public buildings require a license.

True - correct answer Security professionals protect persons, property, and information.

False - correct answer The main duties of a security professional are to observe, arrest, and report.

True - correct answer The public has the right to file a complaint against a security guard without telling the guard they are doing so.

False - correct answer A security license may be transferred to another employee at your company.

False - correct answer You may identify yourself as a peace officer if you hold a security license.

patrolling - correct answer This aspect of security has a dual purpose: to deter criminal activity, as well as to observe and report any criminal or unwanted activity that occurs either in the interior or on the exterior premises.

traffic control - correct answer This type of security professional may be required to work within a traffic management plan to ensure the overall safety of the site.

report writing - correct answer This aspect of security is important during every shift. Critical incidents may require an additional, detailed occurrence (or incident) report.

Access Control - correct answer Security professionals responsible for this are often required to ensure that persons entering an area have the relevant documentation to do so.

True - correct answer The security professional is required to assist the public while still observing other activities and behaviours in the premises. The security industry is a balance between a professional service orientation and the role of a protector.

True - correct answer Security professionals may be required to direct traffic in order to maintain safety at a job site.

True - correct answer One of the main roles of a security professional is to observe and report.
