Alcoholics Anonymous Book First Edition:

Alcoholics Anonymous Bill W., Dick B., 2011-01-01 Alcoholics Anonymous was founded in 1935 by Bill Wilson and Dr Bob Smith who developed the organization's 12 step program. In 1939 they published this volume which sets forth the cornerstone concepts of recovery and relates stories of those who have overcome alcoholism. A lifeline to millions worldwide it is the most widely used resource for recovering alcoholics. *The Book That Started It All* Anonymous, 2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous with an introduction and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939 Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism to test out the program. As the loan copies were returned suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black green and red on page after page are shown here in their original form revealing the opinions debates and discussions that went into making the Big Book. **Pioneer Stories in Alcoholics Anonymous** Dick B., Ken B., 2012-12-20 Pioneer Stories in Alcoholics Anonymous

His special attention to the early Akron program which had a documented 75% success rate among seemingly hopeless medically incurable real alcoholics who went to any lengths to establish their relationship and fellowship with the Creator has made this a landmark study resource of students of Old School AA students who want to utilize the program and achieve the successes of the 1930's.
